## MEMORANDUM

TO: June Kail, Purchasing Director *JK*

FROM: Dale Joiner through Bill Nimmons, Director II, Technology & Information Services

DATE: November 21, 2013

Re: Award Recommendation: RFP No. ER311-2014 – Network Cabling Materials

The evaluation committee met on November 12, 2013 to evaluate the proposals received in response to RFP No. ER311-2014 – Network Cabling Materials. There were two companies who submitted proposals: Accu-Tech and Graybar Electric.

Each proposal was given thoughtful and careful consideration and was evaluated as per the criterion set forth in the RFP specifications. The Committee has made a recommendation to award the contract to Accu-Tech, the vendor submitting the highest ranked responsive proposal.

If you have any questions concerning this recommendation, please contact me at 487-7379.

Sincerely,

Dale Joiner  
Director II, Distributed Systems
