MEMORANDUM

TO: June Kail, Purchasing Director *JK*

FROM: Dale Joiner on behalf of Bill Nimmons, Director II, Technology & Information Services

DATE: January 27, 2016

Re: Award Recommendation: RFP No. ER351-2016 – Network Cabling Installation Services

The evaluation committee met on January 26, 2016 to evaluate the proposals received in response to RFP No. ER351-2016 – Network Cabling Installation Services. There were four companies who submitted responsive proposals: Delta Technologies, Dial Communications, Network Cabling Services and Data Set Ready.

Each proposal was given thoughtful and careful consideration and was evaluated as per the criterion set forth in the RFP specifications. The Committee has made a recommendation to award the contract to Delta Technologies and Data Set Ready, with Network Cabling Services as an alternate. The committee consensus ranked this vendors has having the best economical and over all solution for Leon County Schools.

If you have any questions concerning this recommendation, please contact me at 487-7379.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Dale Joiner'.
