I. INTRODUCTION & GENERAL INFORMATION

The Leon County School District (the District) is soliciting proposals for the purpose of identifying qualified vendors to establish a contract to provide a comprehensive system that will deliver messages regarding attendance, emergencies and school notices to parents, students and employees of the District.

II. GENERAL TERMS AND CONDITIONS

NOTE: The term "Bidder" as used within this Request for Proposal (RFP) refers to the person, company or organization responding to this RFP. The Bidder is responsible for understanding and complying with the terms and conditions herein. The term "vendor" as used within this RFP refers to the successful bidder.

A. **GENERAL:** In the event of contract award, the terms and conditions of this RFP or any portion thereof may upon mutual agreement of the parties be extended for an additional term(s) or for additional quantities (all original terms and conditions will remain in effect). Subject to the mutual consent of the parties, the pricing, terms and conditions of this RFP, for the products or services specified herein, may be extended to other municipal, city or county government agencies, school boards, community or junior colleges, or state universities within the State of Florida.

B. **AWARD:** In the event of contract award, this contract shall be awarded to the responsible and responsive bidder(s) whose bid is determined to be the most advantageous to the District, taking into consideration price and other requirements as set forth in the RFP. The District reserves the right to use the second most responsive bidder in the event the original successful bidder of the RFP cannot fulfill their contract. **Low cost proposal is but one of the evaluation parameters and does not guarantee contract award. Any bidder who is awarded the contract must maintain the same prices as originally bid for the duration of the term of the contract and any subsequent renewal periods.**

It is anticipated that an award recommendation will be presented to the School Board for consideration at its regularly scheduled meeting on June 14, 2011.

C. **TERM:** The initial term of this contract will be after the date of School Board approval, on or about **July 1, 2011 through June 30, 2013**, and may, by mutual agreement between the School Board of Leon County, Florida and the awardee(s), upon final School Board approval, be extended for three (3) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current contract period. All prices shall be firm for the term of the contract. The successful vendor(s) agree to this condition by signing its bid.

D. **RFP OPENING AND FORM:** Proposal openings will be public on the date and time specified on the Proposal Acknowledgement form. All proposals received after the time indicated will be rejected as non-responsive and returned unopened to sender. Proposals by Email, fax, telegram, or verbally by telephone or in person will not be accepted. The public opening will acknowledge receipt of the Proposals only; details concerning pricing or the offering will not be announced. All proposals submitted shall become public record upon an announcement of a recommended award or ten days after the opening date whichever occurs first. To protect any confidential information contained in their Proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.

E. **EXEMPT FROM THIS BID:** Purchases shall not include items available at lower prices on established Florida state contracts, cooperative bid agreements which are awarded by other Florida school boards, city, county, or other local governmental agencies, Florida community colleges, U.S. Communities contracts, GSA contracts and State University System contracts. The School District reserves the right to bid separately any item if deemed to be in the best interest of the District.

F. **BIDDER'S RESPONSIBILITY:** Before submitting their proposal, each vendor is required to carefully examine the Request for Proposal specifications and to completely familiarize themselves with all of the terms and conditions that are contained within this request. Ignorance on the part of the vendor will in no way relieve them of any of the obligations and responsibilities which are a part of this proposal.

G. **OCCUPATIONAL LICENSE:** Any person, firm, corporation or joint venture, with a business location in Leon County, Florida, which is submitting a proposal, shall meet the County's Occupational License Tax requirements. Vendors with a location outside Leon County shall meet their local Occupational Tax requirements. A copy of the license is required to be submitted with the Proposal. It is the vendor's responsibility to resubmit a copy of a new license after expiration or termination of the current license. Non-compliance with this condition may cause the proposal not to be considered for award.

- H. WARRANTY:** All goods and services furnished by the Bidder, relating to and pursuant to this RFP will be warranted to meet or exceed the Specifications contained herein. In the event of breach, the Bidder will take all necessary action, at Bidder's expense, to correct such breach in the most expeditious manner possible.
- I. LSBE GOAL:** The District strongly encourages the use of **Local Small Business Enterprises** for participation as partners, joint venturers, prime contractor, sub-contractors and in contracting opportunities. See School Board Policy No. 6.14, Small Business Development Program and the attached "Local Small Business Program" information document if you would like to request certification as a LSBE.
- J. PRICING:** All pricing submitted will include all packaging, handling, shipping charges, and delivery to any point within Leon County, Florida to a secure area or inside delivery. The School Board is exempt and does not pay Federal Excise and State of Florida sales taxes.
- K. TERMS OF PAYMENT / INVOICING:** The normal terms of payment will be Net 30 Days from receipt and acceptance of goods or services and Bidder's invoice. Itemized invoices, each bearing the Purchase Order Number must be mailed on the day of shipment. Invoicing subject to cash discounts will be mailed on the day that they are dated.
- L. TRANSPORTATION AND TITLE:** (1) Title to the goods will pass to the School District upon receipt and acceptance at the destination indicated herein. Until acceptance, the Bidder retains the sole insurable interest in the goods. (2) The shipper will prepay all transportation charges. The School District will not accept collect freight charges. (3) No premium carriers will be used for the School District's account without prior written consent of the Director of Purchasing.

- N. INSPECTIONS AND TESTING:** The School District will have the right to expedite, inspect and test any of the goods or work covered by this RFP. All goods or services are subject to the School District's inspection and approval upon arrival or completion. If rejected, they will be held for disposal at the Bidder's risk. Such inspection, or the waiver thereof, however, will not relieve the Bidder from full responsibility for furnishing goods or work conforming to the requirements of this RFP or the RFP Specifications, and will not prejudice any claim, right, or privilege the School District may have because of the use of defective or unsatisfactory goods or work.
- O. STOP WORK ORDER:** The School District may at any time by written notice to the Bidder stop all or any part of the work for this RFP award. Upon receiving such notice, the Bidder will take all reasonable steps to minimize additional costs during the period of work stoppage. The School District may subsequently either cancel the stop work order resulting in an equitable adjustment in the delivery schedule and/or the price, or terminate the work in accordance with the provisions of the RFP terms and conditions.
- P. INSURANCE AND INDEMNIFICATION:** The Bidder agrees to indemnify and save harmless the School District, its officers, agents and employees from and against any and all claims and liabilities (including expenses) for injury or death of persons or damage to any property which may result, in whole or in part, from any act or omission on the part of the Bidder, its agents, employees, or representatives, or are arising from any Bidder furnished goods or services, except to the extent that such damage is due solely and directly to the negligence of the School District. The Bidder will carry comprehensive general liability insurance, including contractual and product liability coverage, with minimum limits acceptable to the School District. The Bidder will, at the request of the School District, supply certificates evidencing such coverage.
- Q. RISK OF LOSS:** The Bidder assumes the following risks: (1) all risks of loss or damage to all goods, work in process, materials and equipment until the delivery thereof as herein provided; (2) all risks of loss or damage to third persons and their property until delivery of all goods as herein provided; (3) all risks of loss or damage to any property received by the Bidder or held by the Bidder or its suppliers for the account of the School District, until such property has been delivered to the School District; (4) all risks of loss or damage to any of the goods or part thereof rejected by the School District, from the time of shipment thereof to Bidder until redelivery thereof to the School District.
- R. LAWS AND REGULATIONS:** Bidders will comply with all applicable Federal, State and Local laws, statutes and ordinances including, but not limited to the rules, regulations and standards of the Occupational Safety and Health Act of 1970, the Federal Contract Work Hours and Safety Standards Act, the Fair Labor Standards Act, the Uniformed Services Employment and Reemployment Rights Act, Chapter 440, Florida Statutes, and all rules and regulations promulgated thereunder. Bidders agree not to discriminate against any employee or applicant for employment because of race, sex, religion, color, age, disability or national origin.

All agreements as a result of an award hereto and all extensions and modifications thereto and all questions relating to its validity, interpretation, performance or enforcement shall be governed and construed in conformance to the laws of the State of Florida.

- S. **PUBLIC ENTITY CRIMES:** A Bidder, person, or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida State Statute, Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

- V. **TERMINATION: DEFAULT:** The School District may terminate all or any part of a subsequent award by giving notice of default to Bidder, if Bidder: (1) refuses or fails to deliver the goods or services within the time specified; (2) fails to comply with any of the provisions of this RFP or so fails to make progress as to endanger performances, hereunder, or; (3) becomes insolvent or subject to proceedings under any law relating to bankruptcy, insolvency, or relief of debtors. In the event of termination for default, the School District's liability will be limited to the payment for goods and services delivered and accepted as of the date of termination.
- W. **CONVENIENCE:** The School District may terminate for its convenience at any time, in whole or in part any subsequent award. In which event of termination for convenience, the School Districts sole obligations will be to reimburse Bidder for (1) those goods or services actually shipped/performed and accepted up to the date of termination, and (2) costs incurred by Bidder for unfinished goods, which are specifically manufactured for the School District and which are not standard products of the Bidder, as of the date of termination, and a reasonable profit thereon. In no event is the School District responsible for loss of anticipated profit nor will reimbursement exceed the RFP value.
- X. **DRUG-FREE WORKPLACE:** Whenever two or more proposals are equal with respect to price, quality, and service, a proposal received from a business that certifies that it has implemented a drug-free workplace program as defined by Section 287.087 Florida Statutes, will be given preference in the award process.
- Y. **PERFORMANCE:** In an effort to reduce the cost of doing business with the School District, and unless indicated elsewhere, no bid or performance bond is required. However, upon award and subsequent default by Bidder, the School District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available RFP price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Bidder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two years; (3) any other remedy available to the School District in tort or law.

Such rights will be exercised with notice to the Bidder to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this agreement. Documents/records in any form shall be open to the District's representative and may include but are not limited to all correspondence, ordering, payment, inspection and receiving records, and contracts or sub-contracts that directly or indirectly pertain to the transactions between the District and the Bidder.

No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property.

If any employee of an independent contractor or sub-contractor is found to have brought a firearm on School District property, said employee will be terminated from the School Board project by the independent contractor or sub-contractor. If the sub-contractor fails to terminate said employee, the sub-contractor's agreement with the independent contractor for the School Board project shall be terminated. If the independent contractor fails to terminate said employee or fails to terminate the agreement with the sub-contractor who fails to terminate said employee, the independent contractor's agreement with the School Board shall be terminated. Bidders are advised that they are responsible to ensure that no employee, agent or representative of their company who has been convicted or who is currently under investigation for a crime against children in accordance with **FS 435.04** will enter onto any school site.

BB. BACKGROUND AND SCREENING REQUIREMENTS: In accordance with the requirements of Sections, 1012.465, 1012.32, and 1012.467, Florida Statutes, School Board Policy 2.021 as amended from time to time Contractor agrees that, if Contractor receives remuneration for services, Contractor and all of its employees who provide or may provide services under this Contract will complete criminal history checks, and all background screening requirements, including level 2 screening requirements as outlined in the above-referenced statutes and School Board Policy prior to providing services to the School Board of Leon County.

Additionally, Contractor agrees that each of its employees, representatives, agents, subcontractors or suppliers who are permitted access on school grounds when students are present, who have direct contact with students or who have access to or control of school funds must meet level 2 screening requirements as described in the above-referenced statutes, and School Board Policy.

Pursuant to the 2007 amendments to the JLA enacted by the Florida Legislature, requirements for certain fingerprinting and criminal history checks shall be inapplicable to non-instructional contracted personnel who qualify for exemption from level 2 screening requirements as provided under §1012.468, Fla. Stat. (2007). In addition, the provisions of §1.12.467, Fla. Stat. (2007) are incorporated herein by reference, and any provisions of this section that may be inconsistent with, contrary to, or determined to be in conflict with §1012.467, will be superseded by said statute.

A non-instructional contractor who is exempt from the screening requirements set forth in §1012.465, §1012.468 or §1012.467, Florida Statutes, is subject to a search of his or her name or other identifying information against the registration information regarding sexual predators and sexual offenders maintained by the Department of Law Enforcement under §943.043 and the national sex offender public registry maintained by the United States Department of Justice. Contractor will not be charged for this search. Further, upon obtaining clearance by Board, if Board deems necessary, Board will issue a photo identification badge which shall be worn by the individual at all times while on Board property when students are present.

Contractor agrees to bear any and all costs associated with acquiring the required background screening – including any costs associated with fingerprinting and obtaining the required photo identification badge. **The cost of a Level II Background Check is currently \$95.00. Remittance shall be in the form of a VISA/MasterCard or money order payable to Leon County Schools. The cost to obtain a mandatory identification card is \$10.00 and will be collected separately.**

Contractor agrees to require all its affected employees to sign a statement, as a condition of employment with Contractor in relation to performance under this Bid/RFP, agreeing that the employee will abide by the heretofore described background screening requirements, and also agreeing that the employee will notify the Contractor/Employer of any arrest(s) or convictions(s), of any offense enumerated in School Board Policy within 48 hours of its occurrence. Contractor agrees to provide the Board with a list of all of its employees who have completed background screening as required by the above referenced statutes and who meet the statutory requirements contained therein. Contractor agrees that it has an ongoing duty to maintain and update these lists as new employees are hired and in the event that any previously screened employee fails to meet the statutory standards. Contractor further agrees to notify the Board immediately upon becoming aware that one of its employees who were previously certified as completing the background check and meeting the statutory standards is subsequently arrested or convicted of any disqualifying offense. Failure by Contractor to notify the Board of such arrest or conviction within 48 hours of being put on notice and within 5 business days of the occurrence of qualifying arrest or conviction, shall constitute a material breach of the Contract entitling the Board to terminate this Contract immediately with no further responsibility to make payment or perform any other duties under this Agreement.

LCSB Policy 2.021 is subject to review and change. As a provision of this contract, if awarded, any changes made to this policy will automatically become a part of and be incorporated in this contract. It is the responsibility of the awardee(s) to be aware of any changes that may occur.

LOCAL SMALL BUSINESS CERTIFICATION

The LCSB has determined that funds generated in the community should, to the greatest extent possible, be placed back into the local economy. Therefore, the LCSB has determined that it is in the best interest of LCSB and the community to give a preference to Local Small Business Enterprises (LSBE) in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value or other documented benefits of the proposals received in relation to such expenditures.

In the case of requests for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, LSBE shall be assigned an additional 5% of the total evaluation points, provided the LSBE is certified and located within the local market area at least 6 months prior to the date upon which a request for sealed bids or proposals is issued.

Check if you are requesting consideration as a certified LSBE: Yes or No

Contract award will be conditioned on meeting the requirements of this section. The Leon County School Board requires the following:

1. Submission by the proposer of the completed “Tabulation of Subcontractors” form with the proposal; (when applicable)
2. The names and phone numbers of all Subcontractors. Clearly designate which Subcontractors are a qualified LSBE that will participate in the contract;
3. A description of the work and/or materials that each qualified LSBE will perform or supply;
4. The dollar amount or percentage of the work and/or materials that each qualified LSBE will provide on the project;
5. If the actual participation of qualified LSBE in the apparently successful proposal is not maximized, as determined by the Small Business Development Office, such proposer shall submit documentation of all Good Faith Efforts (successful and unsuccessful) that were engaged in, prior to proposal submission, to maximize the use of qualified LSBE on this project. Efforts undertaken after bid submissions are not relevant to the decision to award.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.
