I. GENERAL TERMS AND CONDITIONS

1. INTRODUCTION: The Leon County School Board (School Board) is soliciting proposals for the purpose of identifying qualified vendors to establish an annual Time and Material service agreement, at firm unit prices, with one or more licensed refrigeration contractors to perform repairs and maintenance on walk-in and reach-in coolers and freezers as needed district wide.

2. SCHOOL BOARD CONTACT: All questions for additional information regarding this RFP must be directed to the designated Purchasing Agent noted on the title page.

All contact and requests for clarifications should be submitted via e-mail to: williso@leonschools.net no later than **March 27, 2017**. Responses will be distributed no later than **March 29, 2017**.

Prospective bidders shall not contact any member of the Leon County School Board, Superintendent or staff regarding this RFP prior to posting of the final tabulation and award recommendation on the website and in the Purchasing Office. Any such contact shall be cause for rejection of your proposal.

3. DEFINITIONS: The term "Bidder" as used within this Request for Proposal (RFP) refers to the person, company or organization responding to this RFP. The Bidder is responsible for understanding and complying with the terms and conditions herein. The term "School Board" refers to the School Board of Leon County, Florida.

4. BIDDER'S RESPONSIBILITY: It is the responsibility of the bidder to obtain all pages of the RFP package and all attachments thereto, together with any addenda to the RFP package that may be issued prior to the RFP due date. RFP package and addenda as well as general information can be found at www.leonschools.net/Page/4411.

Before submitting their proposal, each bidder is required to carefully examine the RFP specifications and to completely familiarize themselves with all of the terms and conditions that are contained within this request. Ignorance on the part of the bidder will in no way relieve them of any of the obligations and responsibilities which are a part of this RFP.

5. AWARD: In the event of contract award, this contract shall be awarded to the responsible and responsive bidder(s) whose proposal is determined to be the most advantageous to the District, taking into consideration price and other requirements as set forth in the RFP. Due to the potential for the existence of multiple overlapping projects at any given time, it is in the best interest of the District to award this contract to multiple vendors, creating a list of pre-qualified contractors meeting all specifications listed herein and offering the best value to the Board. **Low cost proposal is but one of the evaluation parameters and does not guarantee contract award.** The awarded contractor(s) understands and agrees that the contract shall not be construed as an exclusive agreement and further agrees that the District may secure identical and/or similar services or products from other sources at any time in conjunction with or in replacement of the contractor's services.

Once proposals are evaluated, the Purchasing Department will post a Notice of Intent to Award by electronic posting at www.leonschools.net/Page/4411 on or about **May 1, 2017** for a period of 72 hours or three business days, whichever is later. Failure to file a protest within the time prescribed in section 120.57 (3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, Florida Statutes.

It is anticipated that a recommendation for award will be presented to the School Board for consideration at its **May 9, 2017** meeting.

6. ORIGINAL AND RENEWAL TERM: Unless otherwise indicated in the detailed specifications the award resulting from this RFP shall be in effect for two (2) years and will begin after School Board approval, **on or about July 1, 2017**. The award resulting from this RFP (or any portion thereof) has the option of being renewed for three (3) additional one (1) year periods, or extended for a period up to 180 days beyond the current term, including the final term, upon mutual agreement of both parties, under the same terms and conditions as the original award. The School Board, through its Purchasing Department, will, if considering a renewal or extension, request a letter of intent to renew or extend from one or more awardees, prior to the end of the current contract period. The awardees will be notified when the recommendation has been acted upon by The School Board. The Bidder agrees to these conditions by signing its proposal.

7. RESERVATION FOR REJECTION OR AWARD: The School Board reserves the right to reject any or all proposals, to waive irregularities or technicalities, and to request rebids. The School Board reserves the right to award on an individual item basis, any combination of items, total low proposal or, if an alternate proposal is accepted, on such terms as are specified for the alternate proposal, whichever manner is in the best interest of the School Board.

8. CONTRACT: The submission of your proposal constitutes a firm offer by the bidder. Upon acceptance by the School Board, the Purchasing Department will issue a notice of award and purchase order(s) for any supplies, equipment and/or services as a result of this RFP. The RFP and the corresponding purchase order(s) will constitute the complete agreement between the successful bidder and the School Board. Unless otherwise stipulated in the RFP documents or agreed to in writing by both parties, no other contract documents shall be issued or accepted.

9. FIRM OFFER: Any proposal may be withdrawn until the date and time set for the opening of the RFP. Any proposal not so withdrawn shall constitute an irrevocable offer to provide the School Board the services/products set forth in this RFP. Such offer shall be held open for a period of sixty (60) days from RFP opening date or until one of the proposals has been awarded by the School Board.

10. CONFIDENTIALITY: Bidders shall be aware that all proposals provided with a RFP are subject to public disclosure and will not be afforded confidentiality with the exception of "sealed" financial statements.

11. PREQUALIFICATION OF CONTRACTORS FOR EDUCATIONAL FACILITIES CONSTRUCTION: In accordance with State Requirements for Educational Facilities (S.R.E.F.), 2014, Chapter 4, Section 4.1, Prequalification of Contractors for Educational Facilities Construction: **ONLY** contractors who hold a current Leon County School Board - Prequalification Certificate may submit their qualifications.

On April 14, 2015, the Leon County School Board revised and adopted [Policy 6334](#), *Prequalification of Contractors for Educational Facilities & Construction*. The School Board will prequalify contractors for a one-year period pursuant to the criteria set forth in Florida Statutes 1013.46, and State Requirements for Educational Facilities, Chapter 4, Section 4.1 (1). Certificates will be valid for one year from the date of School Board approval and must be renewed annually. Submittals for work from firms not prequalified at the time of submittal will be deemed nonresponsive and will not be considered.

Instructions for completion and submission of the Qualifications Statement may be obtained on our website at <http://www.leonschools.net/Page/4233> or request assistance from Leon County School Board, Facilities and Construction, 3420 West Tharpe Street, Suite 100, Tallahassee, Florida 32303, 850- 617-5900.

12. PUBLIC RECORDS LAW: Pursuant to Florida Statutes Chapter 119.071(1), proposals received as a result of this RFP will not become

public record until thirty (30) days after the date of opening or until posting of a recommendation for award, whichever occurs first. Thereafter, all proposal documents or other materials submitted by all bidders in response to this RFP will be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent a Bidder asserts any portion of its proposal is exempt or confidential from disclosure under Florida's public records, the burden shall be on the bidder to obtain a protective order from a jurisdictional court protecting such information from disclosure under Florida's public records laws and also timely provide a certified copy of such protective order to the School Board prior to the School Board's release of such information into the public domain.

13. USE OF OTHER CONTRACTS: The School Board reserve the right to utilize any other District contract, any State of Florida Contract, any contract awarded by any other City or County governmental agencies, any other School Board, any other Community College/State University system, any cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012(6) in lieu of any offer received or award made as a result of this RFP, if it is in the best interest to do so. The School Board also reserves the right to separately bid any single order or to purchase any item on this RFP if it is in its best interest to do so.

14. JOINT-BIDDING, COOPERATIVE PURCHASING AGREEMENT: All bidders submitting a response to this RFP agree that such response also constitutes a proposal to all State Agencies and Political Subdivisions of the State of Florida under the same conditions, for the same prices and for the same effective period as this RFP, should the bidder(s) deem it in the best interest of their business to do so. This agreement in no way restricts or interferes with any state agency or political subdivision of the State of Florida to rebid any or all items.

State agencies wishing to make purchases from this agreement are required to follow the provisions of s. 287.042(16) (a), F.S. This statute requires the Department of Management Services to determine that the requestor's use of the contract is cost-effective and in the best interest of the State.

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Non-Customer purchases are independent of the agreement between Customer and Contractor, and Customer shall not be a party to any transaction between the Contractor and any other purchaser.

The purchasing agreements and state term contracts available under s. 287.056 have been reviewed.

15. RFP PREPARATION COSTS: Neither the School Board nor its representatives shall be liable for any expenses incurred in connection with the preparation of a response to this RFP.

16. BID BONDS AND PERFORMANCE BONDS: Bid bonds, when required shall be submitted with the bid in the amount specified in the detailed specifications. Bid bonds will be returned to unsuccessful bidders. After Acceptance of a bid, the School Board will notify the successful bidder to submit a recorded payment and performance bond in the amount specified in the detailed specifications.

17. RFP OPENING AND FORM: Proposal openings will be public on the date and time specified on the Bidder's Acknowledgement Form. All Proposals received after the time indicated will be rejected as non-responsive and returned unopened to sender. Proposals by Email, fax, telegram, or verbally by telephone or in person will not be accepted. The School Board is not responsible for lost or late delivery of proposals by the U.S. Postal Service or other delivery services used by the Bidder.

18. CLARIFICATIONS AND INTERPRETATIONS: The School Board reserves the right to allow for clarification of questionable entries, and for the bidder to withdraw items with obvious mistakes. In the event of a conflict between the General Bid Terms and Conditions and any Special terms and Conditions attached hereto, the Special Terms and Conditions shall have precedence. Any questions concerning terms, conditions or specifications will be directed to the designated Purchasing Agent referenced on the RFP Acknowledgement. Any ambiguities or inconsistencies shall be brought to the attention of the designated Purchasing Agent in writing at least seven workdays prior to the opening date of the proposal. Failure to do so, on the part of the bidder will constitute an acceptance by the bidder of consequent decision. An addendum to the RFP shall be issued and posted for those interpretations that may affect the eventual outcome of this RFP. It is the bidder's responsibility to assure the receipt of all addendum issued. No person is authorized to give oral interpretations of, or make oral changes to the RFP. Therefore, oral statements given before the RFP opening date will not be binding. The School Board will consider no interpretations binding unless provided for by issuance of an addendum. Addenda will be made available at least five workdays prior to the opening date at <http://www.leonschools.net/Domain/195>. The bidder shall acknowledge receipt of all addenda by signing and enclosing said addenda with their proposal.

19. EVALUATION CRITERIA: Primary factors used to decide the award hereunder will be price, availability and responsiveness. Other factors that may be used in the evaluation of this RFP will be: (1.) administrative costs incurred by the School Board in association with the discharge of any subsequent award; (2.) alternative payment terms; (3.) Bidder's past performance. The School Board reserves the right to evaluate by lot, by partial lot, or by item, and to accept or reject any proposal in its entirety or in part, and to waive minor irregularities if the proposal is otherwise valid. In the event of a price extension error, the unit price will be accepted as correct. The School Board has sole discretion in determining testing and evaluation methods.

20. DEFAULT: In the event that the awarded bidder should breach this contract, the School Board reserves the right to seek all remedies in law and/or in equity.

21. FUNDING OUT/CANCELATION OR TERMINATION WITH OR WITHOUT CAUSE:

A. WITH CAUSE: In the event any of the provisions of the Contract are violated by the bidder, the Superintendent or designee shall give written notice to the bidder stating the deficiencies and unless the deficiencies are corrected within ten days, recommendation will be made to the School Board or its designee for immediate cancellation. Upon cancellation, hereunder the School Board may pursue any and all legal remedies as provided herein and by law. In the event that it is subsequently determined that a cancellation under this paragraph was incorrect, the termination shall be converted to a termination for convenience pursuant to the next paragraph.

B. WITHOUT CAUSE: The School Board or its designee reserves the right to terminate any contract resulting from this RFP at any time and for no reason whatsoever, upon giving 30 days prior written notice to the bidder. If the Contract should be terminated for convenience as provided herein, the School Board shall be relieved of all obligations under said Contract. The School Board or its designee shall only be required to pay to the successful bidder that amount of the Contract actually performed to the date of termination.

C. FUNDING OUT: Florida School Laws prohibit the School Board or its designee from creating obligations on anticipation of budgeted

revenues from one fiscal year to another without year-to-year extension provisions in the contracts. It is necessary that fiscal funding out provisions be included in all RFPs in which the terms are for periods of longer than one year. Therefore, the following funding out provisions are an integral part of this RFP and must be agreed to by all bidders:

The School Board or its designee may, during the contract period, terminate or discontinue the items covered in this RFP for lack of appropriated funds upon the same terms and conditions. Such prior written notice will state:

1. That the lack of appropriated funds is the reason for termination, and
2. School Board agrees not to replace the equipment or services being terminated with equipment and services with functions similar to those performed by the equipment covered in this RFP from another vendor in the succeeding funding period.

"This written notification will thereafter release the School Board of Leon County, Florida of all further obligations in any way related to such equipment covered herein".

22. TIE BID: According to FS 287.087, tie bid preference shall be awarded to Bidders with Drug Free Work Place programs. Whenever two or more are equal with regard to price, quality, and service, a proposal received from a business that certifies that it has implemented a Drug Free Work Place program shall be given preference in the award process. In the event both Bidders have a Drug Free Work Place, preference shall be awarded in the following order: Local Vendors as specified in School Board Policy 6450, SBE certified as specified in School Board Policy 6325. If both Bidders meet all requirements, according to standard purchasing practice, the Director of Purchasing will flip a coin to break the tie. Bidder's company name closest to the letter "A" will always be assigned heads in the coin toss.

23. DISPUTE: In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the School Board shall be final and binding on both parties.
