II. GENERAL TERMS AND CONDITIONS

NOTE: The term "Bidder" as used within this Invitation to Bid (ITB) refers to the person, company or organization responding to this ITB. The Bidder is responsible for understanding and complying with the terms and conditions herein.

- A. GENERAL:** Upon a Bid award, the terms and conditions of this Bid or any portion thereof may upon mutual agreement of the parties be extended for an additional term(s) or for additional quantities (all original terms and conditions will remain in effect).
- B. JOINT-BIDDING, COOPERATIVE PURCHASING AGREEMENT:** All bidders submitting a response to this ITB agree that such response also constitutes a bid to all State Agencies and Political Subdivisions of the State of Florida under the same conditions, for the same prices and for the same effective period as this bid, should the bidder(s) deem it in the best interest of their business to do so. This agreement in no way restricts or interferes with any state agency or political subdivision of the State of Florida to rebid any or all items.
State agencies wishing to make purchases from this agreement are required to follow the provisions of s. 287.042(16)(a), F.S. This statute requires the Department of Management Services to determine that the requestor's use of the contract is cost-effective and in the best interest of the State.
Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Non-Customer purchases are independent of the agreement between Customer and Contractor, and Customer shall not be a party to any transaction between the Contractor and any other purchaser.
- C. AWARD:** In the event of contract award, this contract shall be awarded to the responsible and responsive bidder(s) whose bid is determined to be the most advantageous to the District, taking into consideration price and other requirements as set forth in this ITB. Due to the potential for the existence of multiple overlapping projects at any given time, it is in the best interest of the District to award this contract to multiple vendors, based on the most responsive/responsible bidders meeting all specifications, certifications and requirements and taking into consideration the unit rates as proposed. Any or all award(s) made as a result of this ITB shall conform to applicable School Board Rules, State Board Rules and State of Florida Statutes.

Once bids are evaluated, the Purchasing Department will post a Notice of Intent to Award by electronic posting at <http://www.leon.k12.fl.us/public/business/purchasing/Current%20News.htm> on or about **May 19, 2014** for a period of 72 hours or three business days, whichever is later. Failure to file a protest within the time prescribed in §120.57 Fla. Stat. shall constitute a waiver of proceedings.

It is anticipated that a recommendation for award will be presented to the School Board for consideration at its **May 27, 2014** meeting.

- D. TERM:** The term of this contract will be for a total of approximately sixty-five (65) calendar days. **The substantial completion date shall be (50) fifty calendar days after the Notice to Proceed date of June 2, 2014, and the final completion shall follow fifteen (15) calendar days after substantial completion.** All prices shall be firm for the term of the contract. The successful vendor(s) agree to this condition by signing its bid.
- E. BID OPENING AND FORM:** Bid openings will be public on the date and time specified on the Bidder's Acknowledgement form. All Bids received after the time indicated will be rejected as non-responsive and returned unopened to sender. Bids by Email, fax, telegram, or verbally by telephone or in person will not be accepted. To protect any confidential information contained in their Bid, companies must invoke the exemptions to disclosure provided by law in response to the ITB, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.

- F. **PUBLIC RECORDS LAW:** Pursuant to Florida Statutes Chapter 119.071(1), proposals received as a result of this ITB will not become public record until thirty (30) days after the date of opening or until posting of a recommendation for award, whichever occurs first. Thereafter, all proposal documents or other materials submitted by all Proposers in response to this ITB will be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent a Bidder asserts any portion of its proposal is exempt or confidential from disclosure under Florida's public records, the burden shall be on the Proposer to obtain a protective order from a jurisdictional court protecting such information from disclosure under Florida's public records laws and also timely provide a certified copy of such protective order to the District prior to the District's release of such information into the public domain.
- G. **EXEMPT FROM THIS BID:** Purchases shall not include items available at lower prices on established Florida state contracts, cooperative bid agreements which are awarded by other Florida school boards, city, county, or other local governmental agencies, Florida community colleges, U.S. Communities contracts, GSA contracts and State University System contracts. The School District reserves the right to bid separately any item if deemed to be in the best interest of the District.
- H. **BIDDER'S RESPONSIBILITY:** Before submitting their Bid, each bidder is required to carefully examine the ITB specifications and to completely familiarize themselves with all of the terms and conditions that are contained within this request. Ignorance on the part of the bidder will in no way relieve them of any of the obligations and responsibilities which are a part of this ITB.
- I. **OCCUPATIONAL LICENSE:** The contractor shall be responsible for obtaining and maintaining throughout the contract period any required occupational license and other licenses required pursuant to the laws of Leon County, the City of Tallahassee, or the State of Florida. Every contractor submitting a bid on this invitation for bids shall include a copy of the company's local business or occupational license(s) or a written statement on letterhead indicating the reason no license exists.
- J. **WARRANTY:** All goods and services furnished by the Bidder, relating to and pursuant to this ITB will be warranted to meet or exceed the Specifications contained herein. In the event of breach, the Bidder will take all necessary action, at Bidder's expense, to correct such breach in the most expeditious manner possible.
- K. **PRICING:** All pricing submitted will include all packaging, handling, shipping charges and delivery to any point within Leon County, Florida to a secure area or inside delivery. **The School Board is exempt and does not pay Federal Excise and State of Florida Sales taxes.**
- L. **QUANTITIES:** Quantities listed in the bid are estimates provided for bidder information purposes only. No guarantee is given or implied as to the exact quantities which will be purchased from this bid. - N. **PURCHASING CARDS:** The School District of Leon County may choose to use a "Purchasing Card" for ordering of goods and materials or payment of invoices under this contract. The Vendor, by submitting a proposal, agrees to accept this manner of payment and may not add additional handling charges or service fees to purchases made with the District's Purchasing Card(s). Refusal to accept this condition may cause the proposal to be declared non-responsive, or result in revocation of the contract, if already awarded. No third party payment, i.e. Pay pal will be considered
- O. **TRANSPORTATION AND TITLE:** (1) Title to the goods will pass to the School District upon receipt and acceptance at the destination indicated herein. Until acceptance, the Bidder retains the sole insurable interest in the goods. (2) The shipper will prepay all transportation charges. The School District will not accept collect freight charges. (3) No premium carriers will be used for the School District's account without prior written consent of the Director of Purchasing.

- Q. INSPECTIONS AND TESTING:** The School District will have the right to expedite, inspect and test any of the goods or work covered by this ITB. All goods or services are subject to the School District's inspection and approval upon arrival or completion. If rejected, they will be held for disposal at the Bidder's risk. Such inspection, or the waiver thereof, however, will not relieve the Bidder from full responsibility for furnishing goods or work conforming to the requirements of this Bid or the Bid Specifications, and will not prejudice any claim, right, or privilege the School District may have because of the use of defective or unsatisfactory goods or work.
- R. STOP WORK ORDER:** The School District may at any time by written notice to the Bidder stop all or any part of the work for this Bid award. Upon receiving such notice, the Bidder will take all reasonable steps to minimize additional costs during the period of work stoppage. The School District may subsequently either cancel the stop work order resulting in an equitable adjustment in the delivery schedule and/or the price, or terminate the work in accordance with the provisions of the Bid terms and conditions.
- S. INSURANCE AND INDEMNIFICATION:** The Bidder agrees to indemnify and save harmless the School Board, its officers, agents and employees from and against any and all claims and liabilities (including expenses) for injury or death of persons or damage to any property which may result, in whole or in part, from any act or omission on the part of the Bidder, its agents, employees, or representatives, or are arising from any Bidder furnished goods or services, except to the extent that such damage is due solely and directly to the negligence of the School Board. **The Bidder will carry comprehensive general liability insurance, including contractual and product liability coverage, with minimum limits acceptable to the School Board. DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids that are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.
