## **VIII. Termination**

### **A. Termination for Convenience**

This Contract may be terminated by either Party at will upon no less than 30 calendar days' written notice, unless a shorter period of time is mutually agreed upon by both Parties. The Board's sole obligation shall be to reimburse the Contractor for those goods or services shipped and accepted by the Board up to the date of termination, and costs incurred by the Contractor for unfinished goods, which are specifically manufactured for the Board and which are not standard products of the Contractor, as of the date of termination. In no event shall the Board be responsible for the loss of anticipated profit. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in person with proof of delivery.

### **B. Termination for Cause**

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District choose to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to afford an opportunity for the Contractor to cure a breach (e.g. instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

D. Termination for Lack of Funds

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours' notice, in writing, to the Contractor. Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is cancelled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes, but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

**IX. Assignment**

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager, or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special district of the State of Florida upon providing written notice to the Contractor.

**X. Subcontracts**

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager, or designee, enter into written subcontract(s) for performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

**XI. Price Adjustments**

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted, unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is

affected by extreme or unforeseen conditions in the marketplace, outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

## **XII. Additions/Deletions**

During the term of the Contract, the District reserves the right to add or delete the number of commodities or services, when considered to be in its best interest. Pricing shall be comparable to amounts awarded.

## **XIII. Other Conditions**

### **A. Public Records**

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made, or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

**If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this Contract, contact the custodian of public records at:**

Any dispute concerning performance of the terms of this Contract shall be resolved informally by the Contract Managers. Any dispute that cannot be resolved informally shall be reduced to writing and delivered to the District's Divisional Director of Business Services or designee. The District's Divisional Director of Business Services, or designee, shall decide the dispute, reduce the decision to writing, and deliver a copy to the Parties, the Contract Managers and the District's Contract Administrator.

C. Notices

All notices required or permitted by this Contract shall be given in writing and by hand-delivery or email to the respective Parties. All notices by hand-delivery shall be deemed received on the date of delivery and all notices by email shall be deemed received when they are transmitted and not returned as undelivered or undeliverable. Both Parties may change their contact information and Contract Manager by written notice given to the other Party as provided above.

D. Insurance

The Contractor agrees to provide adequate insurance coverage on a comprehensive basis and to hold such insurance at all times during the existence of this Contract. The Contractor accepts full responsibility for identifying and determining the type(s) and extent of insurance necessary to provide reasonable financial protection for the Contractor and the District under this Contract. At a minimum this coverage shall include general liability coverage no less than \$1 million per occurrence and \$2 million in aggregate. Upon the execution of this Contract, the Contractor shall furnish the District's Contract Manager, or designee, written verification of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The District reserves the right to require additional insurance where appropriate.

If the Contractor is a state agency or subdivision as defined in Section 768.28, F.S., the Contractor shall furnish the District, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28, F.S.

E. Employee Status

This Contract does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the District and Contractor are independent contractors under this Contract and neither is the employee of the other for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

F. Force Majeure

G. Available Funding

The District's performance and obligation to pay for goods and services under this Contract are contingent upon available annual funding. The costs of services paid under any other Contract or from any other source are not eligible for reimbursement under this Contract.

H. Scrutinized Companies Contractor Certification

The Contractor certifies they are not listed on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S., and they are not currently engaged in a boycott of Israel. If the resulting Contract exceeds \$1,000,000.00 in total, (not including renewal years), the Contractor certifies that they are not listed on either the Scrutinized Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Sections 215.473, F.S., and 215.4725, F.S., and further certifies they are not engaged in business operations in Cuba or Syria. Pursuant to Sections 287.135(5), F.S., and 287.135(3), F.S., the Contractor agrees the District may immediately terminate the resulting Contract for cause if the Contractor is found to have submitted a false certification or if the Contractor is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, or has engaged in business operations in Cuba or Syria during the term of the resulting Contract. Any company that submits a bid or proposal for a Contract, or intends to enter into or renew a Contract with an agency or local governmental entity for goods or services, of any amount, must certify that the company is not participating in a boycott of Israel.

# SECTION 2: Scope of Work

## 2.1 Background

The District and the School Board are created under Article IX, Section 4, of the Constitution of the State of Florida. The School Board is an independent taxing and reporting authority responsible for the operation, control, and supervision of all free public schools within the school district, subject to the Florida K-20 Education Code, Chapters 1000 – 1013, F.S. The Board consists of five (5) elected officials responsible for, among other things, the adoption of policies that govern the operation of District public schools. The elected Superintendent of Schools is responsible for the administration and management of the schools within the applicable parameters of state laws, State Board of Education Rules, and School Board policies.

The District provides a standard, traditional curriculum to a student body of approximately 30,000 students ranging from pre-kindergarten through the 12th grade. The District also provides adult education at several facilities during regular and non-school hours. In addition to the standard curriculum, The District offers a variety of specialized technical training programs for the higher-grade levels.

#### WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 20-5037783. This EIN will identify your business account, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, please use the label we provided. If this isn't possible, it is very important that you use your EIN and complete name and address exactly as shown above on all federal tax forms, payments and related correspondence. Any variation may cause a delay in processing, result in incorrect information in your account or even cause you to be assigned more than one EIN. If the information isn't correct as shown above, please correct it using tear off stub from this notice and return it to us so we can correct your account.

Based on the information from you or your representative, you must file the following form(s) by the date(s) shown.

Form 941	07/31/2006
Form 1120	03/15/2007
Form 940	01/31/2007

If you have questions about the form(s) or the due dates(s) shown, you can call or write to us at the phone number or address at the top of the first page of this letter. If you need help in determining what your tax year is, see Publication 536, Accounting Periods and Methods, available at your local IRS office or you can download this Publication from our Web site at [www.irs.gov](http://www.irs.gov).

If you believe your yearly employment taxes will be \$1,000 or less for the tax year (average annual wages of \$4,000 or less), please contact us on 1-800-829-0115. You will be required to file Form 944, Employer's Annual Federal Tax Return, rather than Form 941, Employer's Quarterly Federal Tax Return. This return will be due annually, on January 31, following the end of the tax year. You can pay your tax liability annually when you file your return, or you may choose to make more frequent deposits to reduce the balance due with your annual return. If you use a Reporting Agent or Tax Practitioner, inform him or her of your Form 944 filing requirement. If your annual liability rises to \$2,500 or more, you will be required to make deposits. If you do not make the required deposits, you may be subject to penalties and/or interest. Please refer to Publication 15 (Circular E), Employer's Tax Guide, for deposit requirements and for more details on the Form 944 annual filing program.

002292

Your application for an EIN indicates that you intend to elect to file your return as an 1120-S. An election to file a Form 1120-S must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, Election by a Small Business Corporation.

The Internal Revenue Service has also identified several mistakes commonly made S corporations and their shareholders. Please review them and call us at 1-800-829-1040 if you have any questions.

- \* **Losses in Excess of Basis - Pursuant to Internal Revenue Code (IRC) section 1366,** a shareholder in an S corporation may not deduct S corporation losses in excess of their basis in stock and/or debt. Each shareholder's stock basis and debt (loans from shareholders) basis should be computed annually.
- \* **Taxable Distributions - Pursuant to IRC section 1368,** distribution to shareholders in excess of stock basis are generally taxable.
- \* **Gain on Repayment of Loans from Shareholders -** where the shareholder previously used debt basis to absorb S corporation losses, subsequent repayments on the loans are generally taxable.
- \* **Compensation to Shareholder -** If the shareholders performing services for the S corporation, be careful not to improperly classify the compensation as payments other than salary (examples: excessive rent, or distributions) in order to avoid employment taxes.
