This Contract is between the School Board of Leon County, a public school district within Leon County, Florida, with offices at 2757 West Pensacola Street, Tallahassee, FL 32304 (District), and Annett Bus Lines, (Contractor) located at 130 Madrid Drive, Sebring, FL 33876. The District and Contractor are collectively referred to herein as "Parties," and individually as a "Party." All capitalized terms shall have the meaning assigned to them in the Contract unless otherwise defined here.

The Contractor responded to the District's Invitation to Bid (ITB) No. 2411-2024 Charter Bus Services. The District has accepted the Contractor's Bid and enters into this Contract in accordance with the terms and conditions of ITB No. 2411-2024 Charter Bus Services.

Accordingly, and in consideration of the mutual promises contained in the Contract, the Parties agree as follows:

I. Scope of Work

The services to be provided by the Contractor pursuant to this Contract are defined in ITB No. 2411-2024 Charter Bus Services, and all Addenda which are referenced and incorporated herein. The Contractor's Price sheet is attached as Exhibit B. This Contract serves as a master agreement, with individual purchases being made via purchase orders (POs).

II. Contract Term

The initial term of the Contract is for three (3) years. The initial Contract term shall begin on April 10, 2024, or on the last date on which it is signed by all Parties, whichever is later.

III. Renewal Terms

The District and the Contractor may renew the Contract in whole or in part, for a renewal term not to exceed three (3) years, or portions thereof, upon mutual agreement of the Parties as set forth in the Contract.

IV. Contract

This Contract, together with the following attached documents (Exhibits), sets forth the entire understanding of the Parties and supersedes all prior agreements, whether written or oral, with respect to such subject matter.

All Exhibits attached to this Contract are incorporated in their entirety and form as part of this Contract.

The Contract has the following Exhibits:

- a) Exhibit A: ITB No. 2411-2024 Charter Bus Services and all Addenda; and
- b) Exhibit B: Annett Bus Lines, Price Sheet.

In case of conflict, the documents shall have priority in the order listed:

V. Amendments

No oral modifications to this Contract are acceptable. All modifications to this Contract must be in writing and signed by both Parties, except changes to Section VII., below. Any future amendments of the Contract, which alter the definition of the services, shall define the services in the same format as Exhibit A.

Notwithstanding the order listed in Section IV, amendments issued after Contract execution may expressly change the provisions of the Contract. If an amendment expressly alters the Contract, then the most recent amendment will take precedence.

VI. Contract Notices

Contract notices may be delivered by email to the Contractor's designated contact person as prescribed in Section VII.

It will be the designated contact person's responsibility to coordinate with necessary District personnel, as required, to answer questions and resolve issues. The Contractor must provide written notice to the District's Contract Manager, or designee, if a new employee is designated as the contact person for this Contract.

VIII. Termination

A. Termination for Convenience

This Contract may be terminated by either Party at will upon no less than 30 calendar days' written notice, unless a shorter period of time is mutually agreed upon by both Parties. The Board's sole obligation shall be to reimburse the Contractor for those goods or services shipped and accepted by the Board up to the date of termination, and costs incurred by the Contractor for unfinished goods, which are specifically manufactured for the Board and which are not standard products of the Contractor, as of the date of termination. In no event shall the Board be responsible for the loss of anticipated profit. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in person with proof of delivery.

B. Termination for Cause

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District choose to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to afford an opportunity for the Contractor to cure a breach (e.g. instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

D. Termination for Lack of Funds

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours' notice, in writing, to the Contractor. Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is cancelled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes, but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

IX. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager, or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special district of the State of Florida upon providing written notice to the Contractor.

X. Subcontracts

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager, or designee, enter into written subcontract(s) for performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

XI. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted, unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is

affected by extreme or unforeseen conditions in the marketplace, outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

XII. Additions/Deletions

During the term of the Contract, the District reserves the right to add or delete the number of commodities or services, when considered to be in its best interest. Pricing shall be comparable to amounts awarded.

XIII. Other Conditions

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made, or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this Contract, contact the custodian of public records at:

B. Disputes

Any dispute concerning performance of the terms of this Contract shall be resolved informally by the Contract Managers. Any dispute that cannot be resolved informally shall be reduced to writing and delivered to the District's Divisional Director of Business Services or designee. The District's Divisional Director of Business Services, or designee, shall decide the dispute, reduce the decision to writing, and deliver a copy to the Parties, the Contract Managers and the District's Contract Administrator.

C. Notices

All notices required or permitted by this Contract shall be given in writing and by hand-delivery or email to the respective Parties. All notices by hand-delivery shall be deemed received on the date of delivery and all notices by email shall be deemed received when they are transmitted and not returned as undelivered or undeliverable. Both Parties may change their contact information and Contract Manager by written notice given to the other Party as provided above.

D. Insurance

The Contractor agrees to provide adequate insurance coverage on a comprehensive basis and to hold such insurance at all times during the existence of this Contract. The Contractor accepts full responsibility for identifying and determining the type(s) and extent of insurance necessary to provide reasonable financial protection for the Contractor and the District under this Contract. At a minimum this coverage shall include general liability coverage no less than \$1 million per occurrence and \$2 million in aggregate. Upon the execution of this Contract, the Contractor shall furnish the District's Contract Manager, or designee, written verification of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The District reserves the right to require additional insurance where appropriate.

If the Contractor is a state agency or subdivision as defined in Section 768.28, F.S., the Contractor shall furnish the District, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28., F.S.

E. Employee Status

This Contract does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the District and Contractor are independent contractors under this Contract and neither is the employee of the other for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

F. Force Maieure

Neither Party shall be liable for loss or damage suffered as a result of any delay or failure in performance under this Contract or interruption or performance resulting directly or indirectly from acts of God, fire, explosions, earthquakes, floods, water, wind, lightning, civil or military authority, acts of public enemy, war, riots, civil disturbances, insurrections, strikes, or labor disputes.

G. Available Funding

The District's performance and obligation to pay for goods and services under this Contract are contingent upon available annual funding. The costs of services paid under any other Contract or from any other source are not eligible for reimbursement under this Contract.

H. Scrutinized Companies Contractor Certification

The Contractor certifies they are not listed on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S., and they are not currently engaged in a boycott of Israel. If the resulting Contract exceeds \$1,000,000.00 in total, (not including renewal years), the Contractor certifies that they are not listed on either the Scrutinized Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Sections 215.473, F.S., and 215.4725, F.S., and further certifies they are not engaged in business operations in Cuba or Syria. Pursuant to Sections 287.135(5), F.S., and 287.135(3), F.S., the Contractor agrees the District may immediately terminate the resulting Contract for cause if the Contractor is found to have submitted a false certification or if the Contractor is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, or has engaged in business operations in Cuba or Syria during the term of the resulting Contract. Any company that submits a bid or proposal for a Contract, or intends to enter into or renew a Contract with an agency or local governmental entity for goods or services, of any amount, must certify that the company is not participating in a boycott of Israel.
