The Contractor responded to the District's Invitation to Bid (ITB) No. 2416-2025 Paper Products, Contact and Non-Contact Food Supplies. **The District has accepted the Contractor's Bid for line items # 7, 8, 9, and 13**, and enters into this Contract in accordance with the terms and conditions of ITB No. 2416-2025 Paper Products, Contact and Non-Contact Food Supplies.

Accordingly, and in consideration of the mutual promises contained in the Contract, the Parties agree as follows:

**I. Scope of Work**

The services to be provided by the Contractor pursuant to this Contract are defined in ITB No. 2416-2025 Paper Products, Contact and Non-Contact Food Supplies, and all Addenda which are referenced and incorporated herein. **The Contractor's Price sheet is attached as Exhibit B indicating the awarded line items # 7, 8, 9, and 13.** This Contract serves as a master agreement, with individual purchases being made via purchase orders (POs).

**II. Contract Term**

The initial Contract term shall begin on May 15, 2024, or on the last date on which it is signed by all Parties, whichever is later, and shall expire on May 14, 2027.

**III. Renewal Terms**

The District and the Contractor may renew the Contract in whole or in part, for a renewal term not to exceed three (3) years, or portions thereof, upon mutual agreement of the Parties as set forth in the Contract.

**IV. Contract**

This Contract, together with the following attached documents (Exhibits), sets forth the entire understanding of the Parties and supersedes all prior agreements, whether written or oral, with respect to such subject matter.

All Exhibits attached to this Contract are incorporated in their entirety and form as part of this Contract. The Contract has the following Exhibits:

## **V. Amendments**

No oral modifications to this Contract are acceptable. All modifications to this Contract must be in writing and signed by both Parties, except changes to Section VII., below. Any future amendments of the Contract, which alter the definition of the services, shall define the services in the same format as Exhibit A.

Notwithstanding the order listed in Section IV, amendments issued after Contract execution may expressly change the provisions of the Contract. If an amendment expressly alters the Contract, the most recent amendment will take precedence.

## **VI. Contract Notices**

Contract notices may be delivered by email to the Contractor's designated contact person as prescribed in Section VII.

## **VII. Contract Management**

The District's Contract Manager is:

The District may appoint a different Contract Manager, which will not require an amendment to the Contract, by sending written notice to the Contractor. Any communication to the District relating to the Contract shall be addressed to the District's Contract Manager or designee.

The Contractor has assigned the following individual(s) to serve as the designated contact person for this Contract:

**Primary Contact:**

Ben Wood – Owner  
730 Blountstown St.  
Tallahassee, FL 32304  
Phone: (850) 576-2186  
Email: [bwood@tribepaperco.com](mailto:bwood@tribepaperco.com)

All questions and customer service issues concerning this Contract shall be directed to the Contractor's designated contact person(s), above. It will be the designated contact person's responsibility to coordinate with necessary District personnel, as required, to answer questions and resolve issues. The Contractor must provide written notice to the District's Contract Manager, or designee if a new employee is designated as the contact person for this Contract.

**A. Termination for Convenience**

The Contract may be terminated by the District upon no less than 60 calendar days' notice and by the Contractor upon no less than 180 calendar days' notice, without cause, unless a lesser time is mutually agreed upon by both parties. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in-person with proof of delivery.

**B. Termination for Cause**

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District chooses to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to allow the Contractor to cure a breach (e.g. instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

**C. Termination for Unauthorized Employment**

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

**D. Termination for Lack of Funds**

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours' notice, in writing, to the Contractor. Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

**E. Contract Termination Requirements**

If at any time, the Contract is canceled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes, but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

**VIII. Assignment**

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager, or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special district of the State of Florida upon providing written notice to the Contractor.

**IX. Subcontracts**

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager, or designee, enter into written subcontract(s) for performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

**X. Price Adjustments**

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted, unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace, outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

**XI. Other Conditions**

**A. Public Records**

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made, or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

**If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this Contract, contact the custodian of public records at:**

**B. Disputes**

Any dispute concerning performance of the terms of this Contract shall be resolved informally by the Contract Managers. Any dispute that cannot be resolved informally shall be reduced to writing and delivered to the District's Purchasing Director or designee. The District's Purchasing Director, or designee, shall decide the dispute, reduce the decision to writing, and deliver a copy to the Parties, the Contract Managers and the District's Contract Administrator.

**C. Notices**

All notices required or permitted by this Contract shall be given in writing and by hand-delivery or email to the respective Parties. All notices by hand-delivery shall be deemed received on the date of delivery and all notices by

email shall be deemed received when they are transmitted and not returned as undelivered or undeliverable. Both Parties may change their contact information and Contract Manager by written notice given to the other Party as provided above.

**D. Insurance**

The Contractor agrees to provide adequate insurance coverage on a comprehensive basis and to hold such insurance at all times during the existence of this Contract. The Contractor accepts full responsibility for identifying and determining the type(s) and extent of insurance necessary to provide reasonable financial protection for the Contractor and the District under this Contract. At a minimum this coverage shall include general liability coverage no less than \$1 million per occurrence and \$2 million in aggregate. Upon the execution of this Contract, the Contractor shall furnish the District's Contract Manager, or designee, written verification of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The District reserves the right to require additional insurance where appropriate.

If the Contractor is a state agency or subdivision as defined in Section 768.28, F.S., the Contractor shall furnish the District, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28., F.S.

**E. Employee Status**

This Contract does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the District and Contractor are independent contractors under this Contract and neither is the employee of the other for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

**F. Force Majeure**

Neither Party shall be liable for loss or damage suffered as a result of any delay or failure in performance under this Contract or interruption or performance resulting directly or indirectly from acts of God, fire, explosions, earthquakes, floods, water, wind, lightning, civil or military authority, acts of public enemy, war, riots, civil disturbances, insurrections, strikes, or labor disputes.

**G. Available Funding**

The District's performance and obligation to pay for goods and services under this Contract are contingent upon available annual funding. The costs of services paid under any other Contract or from any other source are not eligible for reimbursement under this Contract.

**H. Scrutinized Companies Contractor Certification**

The Contractor certifies they are not listed on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S., and they are not currently engaged in a boycott of Israel. If the resulting Contract exceeds \$1,000,000.00 in total, (not including renewal years), the Contractor certifies that they are not listed on either the Scrutinized Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Sections 215.473, F.S., and 215.4725, F.S., and further certifies they are not engaged in business operations in Cuba or Syria. Pursuant to Sections 287.135(5), F.S., and 287.135(3), F.S., the Contractor agrees the District may immediately terminate the

resulting Contract for cause if the Contractor is found to have submitted a false certification or if the Contractor is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, or has engaged in business operations in Cuba or Syria during the term of the resulting Contract. Any company that submits a bid or proposal for a Contract, or intends to enter into or renew a Contract with an agency or local governmental entity for goods or services, of any amount, must certify that the company is not participating in a boycott of Israel.

IN WITNESS THEREOF, the parties hereto have caused this Contract to be executed by their undersigned officials as duly authorized.

Date: March 28, 2024

Solicitation: ITB 2416-2025 Paper Products, Contact and Non-Contact Food Supplies

Proposals Due: April 4, 2024, at 2:00 P.M. EST

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

Please be advised that the changes below are applicable to the original specifications of the above-referenced solicitation. Added or new language to the RFP is highlighted in yellow, while deleted language has been stricken.

#### Change #1:

##### Revises Section 2.5.5 Price Increases

The awarded pricing shall remain firm for the first six (6) months of the contract. ~~The District will consider an increase provided the price increase does not exceed the lesser of 3% or the rate of inflation as determined by the Consumer Price Index (CPI) for urban wage earners and clerical workers, U.S. city average, all items (1982-84-100), published by the U.S. Bureau of Labor Statistics, or any successor or substitute index appropriately adjusted for the prior twelve (12) month period using the first published CPI for the month immediately preceding the anniversary date of the contract.~~ Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. After the initial 6-month period and every 6 months thereafter, the line-item pricing will be reviewed and the Contractor may submit a request for an equitable price adjustment based on verifiable and documented market changes. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

#### Change #2:

Replaces Attachment I Price Sheet revising estimated purchase quantities and individual pack sizes. Revised Price Sheet is attached to this Addendum, and electronically posted in Excel format at <https://www.leonschools.net/Page/4411>

#### Change #3:

---	------------------	--

This Addendum provides the Board's written answers to the timely written questions received.

Question	Answer																				
1. Can you provide previous award tabulation with vendor and prices?	This is the first solicitation Dining Services has released for these products.																				
2. Based on previous ordering history and purchase orders, about how often are the gloves ordered (Monthly, quarterly or other)?	The District anticipates placing quarterly orders, but will endeavor to place orders for full pallets or truckloads at a time, so the orders could be placed with varying frequency.																				
3. Based on previous ordering history and purchase orders, about how often are the plastic liners ordered (Monthly, quarterly or other)?	Please see the answer to Question #2.																				
4. Regarding item #13 on the referenced bid, a 60-gallon can liner, I need the previously paid price. Could you provide me with the tabulation for the bid that was due on January 11, 2023?	<table><tr><th>#</th><th>Suppliers</th><th>Quantity</th><th>Price (Per UOM)</th></tr><tr><td>1</td><td>SPA CONCEPTS, INC.</td><td>200 cases</td><td>\$21.650</td></tr><tr><td>2</td><td>Interboro Packaging</td><td>200 cases</td><td>\$28.720</td></tr><tr><td>3</td><td>Calico Packaging, LLC</td><td>200 cases</td><td>\$32.340</td></tr><tr><td>4</td><td>Osceola Supply</td><td>200 cases</td><td>\$32.500</td></tr></table>	#	Suppliers	Quantity	Price (Per UOM)	1	SPA CONCEPTS, INC.	200 cases	\$21.650	2	Interboro Packaging	200 cases	\$28.720	3	Calico Packaging, LLC	200 cases	\$32.340	4	Osceola Supply	200 cases	\$32.500
#	Suppliers	Quantity	Price (Per UOM)																		
1	SPA CONCEPTS, INC.	200 cases	\$21.650																		
2	Interboro Packaging	200 cases	\$28.720																		
3	Calico Packaging, LLC	200 cases	\$32.340																		
4	Osceola Supply	200 cases	\$32.500																		
5. Do you have a previous bid tabulation with pricing?	Please see the answer to Question #1.																				
6. What is the thickness of gloves?	Gloves should be a minimum of 4 mil.																				
7. 2.2 states “fixed fee per unit”. Is this a Cost Plus bid or a Unit Price to Pay (price quoted is marked up from our cost)?	The District is requesting a fixed price per unit inclusive of all Bidder costs.																				
8. Pg 14, 2.5.5 Price changes tied to CPI index. Most vendors cannot comply to this Index because it does not track the cost factors used to determine a price increase on raw materials and transportation. May we provide Industry increase letters, when needed, as backup to any proposed increase?	Please see Change #1																				
9. When are the samples due?	The District reserves the right to request samples prior to contract award.																				
10. All deliveries to the central warehouse?	While the greatest demand for products will come from the District Department of Dining Services and delivered to the central warehouse, the Contract will be available for the entire school district. Other department purchases may include extended day care, culinary programs, and emergency supplies. Most of these items would come from the District’s normal product stock. Invoices and payment requests shall be sent to the school/department that placed the order or received the product.																				
11. Do we have to bid on all items or we can do a few line items only?	Bidders are not required to bid all items. Bids will be evaluated by line item.																				
12. Are samples required by Bid due date?	Please see the answer to Question #9.																				

Question	Answer
13. The CPI does not encompass the indicators used for raw materials for the items on your bid. Can this clause be removed and maybe add, with documentation provided by suppliers of Industry Increases, with 30 day notice?	Please see Change #1.
14. We see the Estimated Monthly Quantities are provided on Attachment I. Our question is are the quantities based on the Unit of Measures provided? I ask this because the gloves (items # 7-9) say they are packed 100 ct. Typically gloves are packed 10 boxes of 100 gloves in a case, totaling 1000 gloves in a case. (100ea/box – 10bx/case). Is the monthly usage for the large gloves going to be for 36 boxes (100ea) each month, or 36 cases (1000)? Another example is Line item 6, Forks. Is that 2,300 CASES per month or PACKS?	Please see Change #2.
15. I noticed that one of the requirements for qualification is being American Made. However, I also saw a section dedicated to foreign products. Our company sources products from various locations in Asia for supply to the US. I'm seeking clarification on whether our supplied products would be eligible for this bid and I'm unsure if this policy pertains to the products we supply.	The Buy American Act does not pertain to non-food items.
<p>16. Could you please provide more detailed information or examples regarding the following products mentioned in the ITB?</p> <p>Tray, Food, ½#, Cardboard &amp; Tray, Food, 1#, Cardboard: We are particularly interested in understanding the [desired features/standards, e.g., material quality, size dimensions, sustainability certifications] for this product.</p> <p>Container, 2-compartment Fiber or Fiber Blend, 15 oz to 24 oz total 400ct: Could you share any images or example specifications? This will help us to align our products more closely with your needs.</p>	<p>Food tray material is premium paperboard or kraft paperboard. 1# is 5.156"X3.594"X1.484, 1/2# is 4.578"X3.203"X1.25". Color/design is not important.</p> <p>2-compartment container is pictured below. One of the compartments needs to be at least 8 oz but no more than 12 oz. The 2 compartments can be the same size, but it is not necessary.</p> 
17. Do we have to bid on all items or we can do a few line items only?	Please see the answer to Question #11.
18. Will consideration be given to an alternate case size if it's a lower cost per unit, or does it need to be the exact case size listed on the bid?	Yes, the District will give consideration to alternate case sizes.
19. I've only found a couple items listed that are produced in the US. If I price a domestic item it most likely will be higher than any import. How is the country of origin verified? If there is a substantial savings of purchasing an import vs. domestic will the county considered the imported product? If so, how is that dollar amount/threshold determined?	Please see the answer to Question #15.
20. Item #13(60gal can liner) has "100ct" listed in the monthly usage column. That is the case size, so I'm guessing it's a typo. Can you please confirm the estimated monthly usage for this item?	Please see Change #2.

Question	Answer
21. Is this all or no bid- or by the item?	Please see the answer to Question #11.
22. I am trying to clarify if the school trays you want are Foam BLACK or fiber, and the case count should be 500/case. (You are currently using blk foam trays, which is your least expensive option.)	The five (5) compartment trays need to be fiber or fiber blend. Case count is not important but will affect the number of cases ordered.
23. Will you look at any other cutlery options?	The District will not consider different cutlery options.
24. Are the 12-ounce bowls Foam?	The bowls must be a fiber or fiber blend.
25. Is the 9x9x3 carryout foam or plastic, and what is the actual case count?	The 9x9x3 carryout must be a fiber or fiber blend. The case count can be either 150 or 200 each.
26. What is line #11- description is not clear.	Please see the answer to Question #16.
27. Can we have the last award tabulation?	Please see the answer to Question #1.
28. 1/5 LBS and 1 LBS boat trays do you want red plaid or other colors? Do you have any approved brand and item number or what are you currently purchasing (color wise and brand)?	The District does not have a preference in brand or color.
29. For 5 compartment trays fiber, your count is 240 per case, most likely it is Huhtamaki, are you open to consider other brands of fiber trays?	The District will consider all brands that are a fiber or fiber blend.
30. ITB volume is monthly, how many months per school year do you count? 9 or 10?	Please see Change #2.
31. We are a Miami based company but not Leon County, are we considered as local business?	Board Policy 6450 does not provide Dade County companies a local preference.
32. If we are not considered as local would you add any percent (%) to our submitted price?	Board Policy 6450 does not contemplate this procedure.

## SECTION 2: Scope of Work

### 2.1 Background

The District and the School Board are created under Article IX, Section 4, of the Constitution of the State of Florida. The School Board is an independent taxing and reporting authority responsible for the operation, control, and supervision of all free public schools within the school district, subject to the Florida K-20 Education Code, Chapters 1000 – 1013, F.S. The Board consists of five (5) elected officials responsible for, among other things, the adoption of policies that govern the operation of District public schools. The elected Superintendent of Schools is responsible for the administration and management of the schools within the applicable parameters of state laws, State Board of Education Rules, and School Board policies.

The District provides a standard, traditional curriculum to a student body of approximately 30,000 students ranging from pre-kindergarten through the 12th grade. The District also provides adult education at several facilities during regular and non-school hours. In addition to the standard curriculum, The District offers a variety of specialized technical training programs for the higher-grade levels.

### 2.2 Procurement Overview/Requirements

Through this solicitation, the District seeks to secure the best competitive prices for paper products, contact and non-contact food items, and custodial kitchen supplies and establish a fixed fee per unit contract for the delivery of non-food packaging, non-food items and supplies.

The District will work with the Contractor(s) to execute one (1) or more contracts for services soon after the award of this ITB.

### 2.3 Contract Term

We anticipate that the Contract will commence within 30 days of award. The expected Contract term and options to renew are:

Description	Time Period
Initial term of the Contract	Three (3) years
Optional Contract Renewal Term(s)	Up to three (3) years, or portions thereof
Maximum term of the Contract	Six (6) years

### 2.4 Bidder Responsibilities

Each Bidder is required to carefully examine the ITB requirements, Bid prices and extensions, insurance requirements, licensing requirements, Bid opening date and time, and to completely familiarize itself with all of the terms and conditions that are contained within the ITB. Failure to do so on the part of the Bidder will in no way relieve it of any of the obligations and responsibilities which are a part of the ITB.

## 2.5 Scope of Work

The Contractor will be responsible for procuring, receiving, storing, distributing, reporting, and tracking items included on the Price Sheet for paper products, contact and non-contact food items, and custodial kitchen supplies for use in schools operated by the District. The Contractor must commit to maintaining and enforcing the highest service quality and standards for the entire term of this Contract and any subsequent renewal periods.

While the greatest demand for products will come from the District Department of Dining Services, the Contract will be available for the entire school district. Other department purchases may include extended day care, culinary programs, and emergency supplies. Most of these items would come from the District's normal product stock. Invoices and payment requests shall be sent to the school/department that placed the order or received the product.

The District reserves the right to shop the market to locate the most competitive product and purchase directly from manufacturers for products not carried by the Contractor.

The Contractor shall solicit competitive bids from manufacturers/suppliers that meet all sanitation and safety requirements, and purchase supplies as required by the District. Upon request, the District shall be provided with the quote/bidding documentation of any paper goods items for final approval and to ensure compliance. Once the products have been identified and approved by the District, the Contractor will order, receive, store, and deliver products as directed by the District.

The District will work with the Contractor collaboratively to acquire the best product at the best cost. The Contractor must communicate all rebates, incentives, bill-backs, or any other form of remuneration that lowers costs to the Contractor to the District Contract Manager and pass on all cost savings to the District.

After the initial 6-month period and every 6 months thereafter, the line-item pricing will be reviewed and may increase or decrease based on verifiable and documented market changes.
- c. It is the responsibility of the Contractor to provide updated product and pricing information to the District Dining Services department, via email or other electronic means. The Contractor shall pass along to the District during the period awarded any cost reductions or inducements offered by the market on a promotional basis. If the Bidder fails to submit a Redacted Copy with its Bid, the District is authorized to produce the entire documents, data, or records submitted by the Bidder in answer to a public record request for these records. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state, and that state

The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service that affect the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

### **4.2 Use by Other Public Agencies**

Pursuant to their own governing laws and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation, and the District has determined conducting our own solicitation is in our best interest.

Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.
