Accordingly, and in consideration of the mutual promises contained in the Contract, the Parties agree as follows:

I. Scope of Work

The services to be provided by the Contractor pursuant to this Contract are defined in ITB No. 1001-2026 Supplemental Custodial Services and all Addenda which are referenced and incorporated herein. The Contractor's Price sheet is attached as Exhibit B. This Contract serves as a master agreement, with individual purchases being made via purchase orders (POs).

II. Contract Term

The initial Contract term shall begin on July 1, 2025, or on the last date on which it is signed by all Parties, whichever is later, and shall expire on June 30, 2028.

IV. Contract

This Contract, together with the following attached documents (Exhibits), sets forth the entire understanding of the Parties and supersedes all prior agreements, whether written or oral, with respect to such subject matter.

All Exhibits attached to this Contract are incorporated in their entirety and form part of this Contract. The Contract has the following Exhibits:

Any future amendments of the Contract that alter the definition of the services shall define the services in the same format as Exhibit A.

Notwithstanding the order listed in Section IV, amendments issued after Contract execution may expressly change the provisions of the Contract. If an amendment expressly alters the Contract, the most recent amendment will take precedence.

The Contractor has assigned the following individual(s) to serve as the designated contact person for this Contract:

Primary Contact:

All questions and customer service issues concerning this Contract shall be directed to the Contractor's designated contact person(s) above. It will be the designated contact person's responsibility to coordinate with necessary District personnel, as required, to answer questions and resolve issues. The Contractor must provide written notice to the District's Contract Manager or designee if a new employee is designated as the contact person for this Contract.

A. Termination for Convenience

The Contract may be terminated by the District upon no less than 60 calendar days' notice and by the Contractor upon no less than 180 calendar days' notice, without cause, unless a lesser time is mutually agreed upon by both parties. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in-person with proof of delivery.

B. Termination for Cause

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District chooses to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to allow the Contractor to cure a breach (e.g., instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is canceled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes but is not limited to, the timely provision of all Contract-related documents, information, and reports not otherwise protected from disclosure by law to the replacing party.

VIII. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special District of the State of Florida upon providing written notice to the Contractor.

IX. Subcontracts

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager or designee, enter into a written subcontract(s) for the performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

X. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

XI. Other Conditions

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a)

of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28, F.S.

E. No Waiver of Sovereign Immunity

Nothing herein contained shall be deemed or construed as a waiver of sovereign immunity as provided by § 768.28, Florida Statutes, by any agency or political subdivision to which sovereign immunity may be applicable.

F. Employee Status

This Contract does not create an employee/employer relationship between the Parties. SECTION 2: Scope of Work

2.1 Background

The District and the School Board are created under Article IX, Section 4, of the Constitution of the State of Florida. The School Board is an independent taxing and reporting authority responsible for the operation, control, and supervision of all free public schools within the school district, subject to the Florida K-20 Education Code, Chapters 1000 – 1013, F.S. The Board consists of five (5) elected officials responsible for, among other things, the adoption of policies that govern the operation of District public schools. The elected Superintendent of Schools is responsible for the administration and management of the schools within the applicable parameters of state laws, State Board of Education Rules, and School Board policies.

The District provides a standard, traditional curriculum to a student body of approximately 30,000 students ranging from pre-kindergarten through the 12th grade. The District also provides adult education at several facilities during regular and non-school hours. In addition to the standard curriculum, The District offers a variety of specialized technical training programs for the higher-grade levels.

2.2 Procurement Overview/Requirements

Through this solicitation, the District is seeking to identify highly qualified, capable, and professional vendors and establish a Contract(s) at firm pricing to provide supplemental custodial services as required and scheduled by individual school sites or facilities.

It is the intent of this ITB to establish a pool of qualified custodial vendors to help subsidize District staff in maintaining the buildings on an as-needed basis.

The District, at its discretion, will determine the size of the Vendor pool and will award contracts in the best interest of the District.

If the Bidder considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Bidder must also simultaneously provide the District with a separate redacted copy of its Bid and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Bidder on the cover and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Bidder submits its Bid to the solicitation and must only exclude or redact those exact portions which are claimed confidential, proprietary, or trade secret. The Bidder shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure.

Further, the Bidder shall protect, defend, and indemnify the District for any and all claims arising from or relating to the Bidder's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Bidder fails to submit a Redacted Copy with its Bid, the District is authorized to produce the entire documents, data, or records submitted by the Bidder in answer to a public record request for these records. 3.6 Florida Preference

When a school district is required to make purchases of personal property through competitive solicitation and the lowest responsible and responsive bid, proposal, or reply is by a vendor whose principal place of business is in a state or political subdivision which grants a preference by that state or political subdivision, and then the school district shall award an equal preference to the lowest responsible and responsive vendor having a principal place of business within Florida. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state, and that state does not grant a preference in competitive solicitation to vendors having a principal place of business in that state, the preference to the lowest responsible and responsive vendor having a principal place of business in the State of Florida shall be five (5) percent. F.S. 287.084(1)(a).

A vendor whose principal place of business is outside this state must accompany any written bid, proposal, or reply documents with a written opinion of an attorney at law licensed to practice law in that foreign

state as to the preferences, if any or none, granted by the law of that state to its own business entities whose principal places of business are in that foreign state in the letting of any or all public contracts. F.S. 287.084(2).

SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service that affect the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation, and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Bidders due to this ITB or Contract.

4.4 E-Verify

Per Executive Order 11-116, "The provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the contract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor shall not enter into a contract unless each party to the contract registers with and uses the E-Verify system per Section 448.095, F.S.

4.5 Subcontracts

The Contractor may, only with the prior written consent of the District, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission must be identified in the submitted Proposal using Attachment VII,

Subcontracting Form. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the District. No subcontract, which the Contractor enters into concerning the performance of any of its functions under the Contract, shall in any way relieve the Contractor of any responsibility for the performance of its duties. All subcontractors, regardless of function, providing services on District property shall comply with the District's security requirements, as defined by the Board, including background checks, compliance with Board Policy 2.021, the Jessica Lunsford Act, and all other Contract requirements. All payments to subcontractors shall be made by the Contractor.

If a subcontractor is utilized by the Contractor, the Contractor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the District, per Section 287.0585, F.S. It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract. Failure by the Contractor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Prime Contractor to the subcontractor in the amount of one-half ($\frac{1}{2}$) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

4.6 Background Screening Requirements/Jessica Lunsford Act

Florida Statutes contain certain fingerprinting and/or screening requirements pertaining to all persons or entities entering into contracts with Schools, School Boards, School Districts, and Charter Schools who may have personnel who will be on school grounds when students may be present. Any individual who fails to meet the statutory requirements shall not be allowed on school grounds. Failure to comply with the statutory requirements will be considered a material default of this Contract. The Contractor shall bear all costs associated with background screening.

This Addendum provides the Board's written answers to the timely written questions received.

Question	Answer
1. Why has the format of the pricing sheet changed to a per custodian pricing versus the previous format that included square footage unit pricing?	The District prefers an hourly/monthly rate for concise audit purposes.
2. Will the contractor be setting the number of staff utilized to provide services or will the county / individual schools be deciding the number of hours and staff members needed?	The number of staff to be assigned for the project or ongoing services will be agreed upon by the school or District administrator and the awarded Contractor.
3. Will the custodial staffing be capped at 5 custodians? What if the contractor determines that the scope of work requires more than 5 staff members?	Staffing requirements will not be capped at five (5) custodians. The Price Sheet contemplates an hourly rate for one (1) additional custodian as needed. Please see the answer to Question #2.
4. Will each of the custodians be required to clock in and clock out daily? If so, what is the method that Leon County Schools / the individual schools will use to track/log hours?	The Contractor will be responsible for the distribution and collection of the daily timesheets and must make them immediately available upon request by the District. The Contractor will be responsible for establishing the method of completing and authorizing timesheets with the school/District administrator when the project or services are assigned and a purchase order is issued.
5. Will the purchasing department or the principals at each school be making the decision on the awarded contract?	District schools and departments have site-based decision-making authority to choose their Contractor.
6. What will be considered add-ons?	Add-on charges are any charges above the hourly/monthly, and square footage firm rates bid on the Attachment I, Price Sheet.

Question	Answer
7. Is stripping and waxing or carpet cleaning considered add-ons?	Please see the answer to Question #6.
8. 4.20 Termination at Will. Can vendors have some input or add to this clause in the ITB/Contract?	The District will not consider alternate contract termination clauses.
9. Will you be forming a list of vendors from this ITB?	The intent of the ITB is to establish a pool of qualified custodial vendors.
10. If there is a list, how and what determines if a vendor makes the list?	The District, at its discretion, will determine the size of the vendor pool and will award contracts that are in the best interest of the District.
11. Will all vendors that apply to the ITB make the list?	Please see the answer to Question #10.
12. What criteria will be used to award a contact?	Please see the answer to Question #10.
13. Will a key to the supply closet be provided to the cleaning company if they are responsible for stocking?	Any required access granted will vary by site and be determined by the site Administrator.
14. How will vendor's names get sent out to prospective schools? Will a list be sent to the schools with all vendors info on it or will purchasing determine which vendors get sent out?	The Purchasing Department will provide a list of all awarded Contractors to the schools and departments after Board approval.
15. Will contracted custodial services for all Leon County Schools be serviced under this ITB? If not, why not?	This ITB contemplates supplemental custodial services as needed. The District reserves the right to perform or cause to be performed custodial services in any manner it sees fit, including the awarding of other contracts.
16. Which schools will fall under this ITB for contracted custodial services?	The ITB contemplates services on an as-needed basis districtwide. Schools and departments establish needs annually based on budget allocations.
17. Are we paying for background checks again if they are not a year old.	Level II background clearances are generally valid for five (5) years.
18. What is the current contract price being paid today?	See Exhibit A of this Addendum.
19. When we perform a strip & wax, who would be responsible for moving furniture?	The Contractor will be responsible for moving the furniture and other equipment. Site staff may assist with coordinating as needed.

Question	Answer
