VIII. Termination

A. Termination for Convenience

This Contract may be terminated by either Party at will upon no less than 30 calendar days' written notice, unless a shorter period of time is mutually agreed upon by both Parties. The Board's sole obligation shall be to reimburse the Contractor for those goods or services shipped and accepted by the Board up to the date of termination, and costs incurred by the Contractor for unfinished goods, which are specifically manufactured for the Board and which are not standard products of the Contractor, as of the date of termination. In no event shall the Board be responsible for the loss of anticipated profit. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in person with proof of delivery.

B. Termination for Cause

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District choose to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to afford an opportunity for the Contractor to cure a breach (e.g. instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

D. Termination for Lack of Funds

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours' notice, in writing, to the Contractor. Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is cancelled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes, but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

IX. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager, or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special district of the State of Florida upon providing written notice to the Contractor.

X. Subcontracts

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager, or designee, enter into written subcontract(s) for performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

XI. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted, unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace, outside of the Contractor's control. Requests shall be submitted to the District's

Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

XII. Additions/Deletions

During the term of the Contract, the District reserves the right to add or delete the number of commodities or services, when considered to be in its best interest. Pricing shall be comparable to amounts awarded.

XIII. Other Conditions

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made, or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this Contract, contact the custodian of public records at:

The District's Divisional Director of Business Services, or designee, shall decide the dispute, reduce the decision to writing, and deliver a copy to the Parties, the Contract Managers and the District's Contract Administrator.

C. Notices

All notices required or permitted by this Contract shall be given in writing and by hand-delivery or email to the respective Parties. All notices by hand-delivery shall be deemed received on the date of delivery and all notices by email shall be deemed received when they are transmitted and not returned as undelivered or undeliverable. Both Parties may change their contact information and Contract Manager by written notice given to the other Party as provided above.

D. Insurance

The Contractor agrees to provide adequate insurance coverage on a comprehensive basis and to hold such insurance at all times during the existence of this Contract. The Contractor accepts full responsibility for identifying and determining the type(s) and extent of insurance necessary to provide reasonable financial protection for the Contractor and the District under this Contract. At a minimum this coverage shall include general liability coverage no less than \$1 million per occurrence and \$2 million in aggregate. Upon the execution of this Contract, the Contractor shall furnish the District's Contract Manager, or designee, written verification of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The District reserves the right to require additional insurance where appropriate.

If the Contractor is a state agency or subdivision as defined in Section 768.28, F.S., the Contractor shall furnish the District, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28., F.S.

E. Employee Status

This Contract does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the District and Contractor are independent contractors under this Contract and neither is the employee of the other for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

G. Available Funding

The District's performance and obligation to pay for goods and services under this Contract are contingent upon available annual funding. The costs of services paid under any other Contract or from any other source are not eligible for reimbursement under this Contract.

H. Scrutinized Companies Contractor Certification

The Contractor certifies they are not listed on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S., and they are not currently engaged in a boycott of Israel. If the resulting Contract exceeds \$1,000,000.00 in total, (not including renewal years), the Contractor certifies that they are not listed on either the Scrutinized Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Sections 215.473, F.S., and 215.4725, F.S., and further certifies they are not engaged in business operations in Cuba or Syria. SECTION 2: Scope of Work

2.1 Background

The District and the School Board are created under Article IX, Section 4, of the Constitution of the State of Florida. The School Board is an independent taxing and reporting authority responsible for the operation, control and supervision of all free public schools within the school district, subject to the Florida K-20 Education Code, Chapters 1000 – 1013, F.S. The Board consists of five (5) elected officials responsible for, among other things, the adoption of policies which govern the operation of District public schools. The elected Superintendent of Schools is responsible for the administration and management of the schools within the applicable parameters of state laws, State Board of Education Rules, and School Board policies.

The District provides a standard, traditional curriculum to a student body of approximately 31,000 students ranging from pre-kindergarten through the 12th grade. LCSB also provides adult education at several facilities during regular and non-school hours. In addition to the standard curriculum, LCSB offers a variety of specialized technical training programs for the higher-grade levels.

2.2 Procurement Overview

The District desires to receive proposals for licensed Speech-Language Pathologists (SLPs) to service District students with communication disorders in the areas of language, articulation, fluency, and voice. Without these services, students with speech or language disorders would not develop according to their potential in areas of communication, including receptive and expressive language, social and pragmatic language, speech sounds/articulation, fluency, voice, and assistive technology.

Although it is recognized that a number of students may benefit from Speech-Language Pathology Services only those students who meet federal and state guidelines may be served. This program is not designed to provide support to students with limited English proficiency, who are not otherwise language disordered, or to serve students who are having difficulties in school unrelated to a communication disorder. Speech-Language Pathology is one of many specialty areas within the Exceptional Student Education (ESE) Department of the District. Since many students have diverse needs and are often served in more than one program within the ESE Department, coordination and integration of this service is essential.

The District anticipates awarding one or more contracts for services as is in the District's best interest. Successful Proposer(s) must have the ability to begin the implementation of services if awarded on or before August 10, 2023.

2.3 Contract Term

We anticipate the Contract(s) will commence within 30 days of award. The expected Contract term and options to renew are:

Description	Time Period
Initial term of the Contract	Three (3) years
Optional Contract Renewal Term(s)	Up to three (3) years, or portions thereof
Maximum term of the Contract	Six (6) years

2.4 Scope of Work

Scope of services includes, but is not limited to, direct therapy with students, consultation and collaboration with teachers, parents, and other professional staff, attendance and participation (required) in student staffings, development of Individual Education Plans (IEPs), and progress reports.

- The Successful Proposer must be able to immediately provide licensed speech-language pathologists in sufficient numbers to accommodate the service needs of the District.
 - Contractor Staff shall dress in a professional manner that is reflective of the school environment. Medical scrubs are not allowed.
 - The Contractor must identify a full-time liaison/supervisor who will serve as the primary contact with the District regarding this Contract. The cost of the liaison/supervisor shall be included in contract pricing.
 - The District locations may issue open (blanket) purchase orders as required. Receipt of open orders does not authorize the release of any service. For all open orders, services will be on an as-needed basis through the use of an order form. Services received as a result of an open order, where an order form has not been released, will not be accepted, and no cost shall be incurred by the District as a result.

- 2.4.3** The Contractor's Staff shall provide and follow schedules for assigned schools. The SLP should inform the school principal and district ESE designee of departure from or changes in schedule. - 2.4.4** The Contractor(s) shall not hire any individual who is currently employed part-time or full-time by LCS as a speech- language pathologist or speech-language pathology assistant until the completion of the contracted school year. The Contractor(s) also shall hold

harmless any individual employed by them who elects to become employed by LCS for the following school year.

- 2.4.5** The Contractor's Staff shall be articulate in oral and written English.
- 2.4.6** The Contractor's Staff will conduct themselves professionally in due process matters and in litigious environments. SLP participation in these matters and environments may be required.

- 2.4.8** The Contractor's Staff shall follow procedures for completing required documentation for student attendance, Individual Education Plans (IEPs), evaluation summaries, student progress and reporting to parents, reimbursement for Medicaid funding, and other procedures as indicated by the "Special Programs and Procedures" document and the ESE Department.
- 2.4.9** District administrative and support personnel shall be authorized to review all the Contractor's required documentation and observe all provided services.
- 2.4.10** The Contractor's Staff shall submit for approval any written communication intended for parents and teachers to the School Principal or designee prior to sending.
- 2.4.11** The Contractor's Staff shall follow all rules and procedures as contained in the LCS Employee Handbook of the individual school and District and shall refrain from using District equipment (such as phones, copiers, computers, etc.) for personal business use.
- 2.4.12** The Contractor shall complete and maintain all required records in the course of providing services.

These meetings shall include but are not limited to, general information on intervention and therapy strategies and techniques, policies and procedures of the Leon County Special Programs and Procedures, the rights of students with disabilities, and other operational and compliance procedures required to carry out the therapy program. SLPs and SLPa's shall incorporate any canceled service sessions due to meeting times into their schedules.
- 2.4.16** The Contractor(s) shall provide speech-language pathologists who agree to provide therapy services throughout the District at all times and locations designated by LCS. LCS reserves the right to request a change in times and locations of services provided by the Successful Proposer(s) (consistent with the written agreement for days and hours worked), during the course of an assignment. Services shall be provided up to seven and a half (7.5) hours per day on regular student attendance days. SLPs are expected to

participate in training and planning activities on teacher planning days and early release days. School year calendars are provided as Attachment XI.

2.4.17 The Contractor(s) shall provide the requested services within five (5) school days of verbal/written notice of an assignment by LCS.

2.4.18 The Contractor(s) shall ensure that any interruption of services due to the provider being “unavailable” or “absent” shall be made up and shall be documented as a “make-up” session.

2.5 Certification

The Contractor’s SLP staff must include licensed, certified SLPs who have earned a Master’s degree in speech-language pathology, have been awarded the Certificate of Clinical Competency from the American Speech and Hearing Association, and have active licensure through the Florida Department of Health or certification through the Florida Department of Education. Provisional licensees will be considered where there is adequate district supervision per section 468.1155 FS. Licensed speech-language pathology assistants who have a Bachelor’s degree in speech-language pathology and have met the requirements for licensure by the Florida Department of Health will be considered in instances where the Contractor provides appropriate supervision per Section 468.1215, FS.

2.6 Procedure

District administrators will contact a Contractor to discuss their individual service needs and requirements. The Contractor will prepare a written schedule for the provision of service detailing days/hours and total anticipated cost (at the awarded hourly rate) for each school year, which will be referenced on the corresponding purchase order. At no time should services be provided without an authorized purchase order or background clearance issued by the District.

2.7 Project Tracking & Progress Reporting

The Contractor, when requested, shall submit weekly progress reports to the District via email that contain:

- a. Work scheduled for the following week with estimated start dates and times;
- b. Work completed during the week with actual completion dates; and
- c. Unforeseen delays/obstacles, and other comments.

2.8 Billing and Payment

The Contractor(s) agree(s) to request compensation for services rendered monthly by submitting proper and accurate invoices, with detail sufficient for audit, to the Board's Contract Manager within 15 days following the end of the billing period for which payment is being requested. All invoices shall include the purchase order number, Contractor's name and FEIN, and the service location. Invoices shall include timesheets containing the dates and hours worked and any other documentation supporting the hours billed (such as sign-in and out sheets). All services will be paid to the nearest half hour. Travel time to and from schools shall not be billed. The invoice or supporting documentation (such as timesheets) must be signed by the Board's on-site personnel (Administrator, Principal, Assistant Principal, Teacher, or School Office Staff) with direct knowledge of whether services were delivered.

Upon receipt of a complete and correct invoice (along with required supporting documentation), the Board has five (5) business days to review, verify, approve, and submit the verified invoice to LCS Accounts Payable for processing. The Board shall pay all invoices within 30 days of receiving the proper invoice or the services being completed, verified, and approved, the latter of the two dates. The Board issues approved payments every two (2) weeks.

All Contractors must complete the ACH Direct Payment Form located online at <https://www.leonschools.net/Page/1086> within five (5) business days of Contract execution.

The Board does not issue checks for vendor payments.

2.9 Performance Monitoring

The District may utilize any or all of the following methodologies in monitoring the Successful Proposer(s) performance under the Contract and in determining compliance with Contract terms and conditions:

- On-site reviews of work performed;
- Documentation/review of timely response to work requests;
- Documentation/review of timely completion of work as assigned; and
- Documentation/review of invoices.

The Contract Manager will provide a written monitoring report to the Successful Proposer within 30 days of a monitoring visit. Non-compliance issues identified by the Contract Manager will be described in detail to provide the Successful Proposer(s) the opportunity for correction, where feasible.

Within 10 calendar days of receipt of the District's written monitoring report the Successful Proposer shall provide a formal Corrective Action Plan (CAP) to the Contract Manager (email acceptable), in response to all noted deficiencies to include responsible individuals and required time frames for achieving compliance. Unless specifically agreed upon in writing by the Contract Manager, time frames for compliance shall not exceed 30 calendar days from the date of receipt of the monitoring report by the Successful Proposer. CAPs that do not contain all information required shall be rejected by the Contract Manager in writing. The Successful Proposer shall have 15 calendar days from the receipt of such written rejection to submit a revised CAP; this will not increase the required time for achieving compliance. All noted deficiencies shall be corrected within the time frames identified in the CAP, or as amended with prior approval of the District. If deficiencies are not corrected within the approved timeframe, the District will impose a financial consequence of \$100 per day until corrected. The Contract Manager may conduct follow-up monitoring at any time to determine compliance based upon the submitted CAP.

While factors that contribute to cost may be discussed in the Respondent's Proposal, actual pricing shall only be included in the Cost Proposal. Inclusion of price information in the Technical Proposal may result in finding the Proposal non-responsive.

3.3 Proposal Evaluation and Criterion

Failure to respond, provide detailed information, or provide requested Proposal elements will result in the reduction of points in the evaluation process. The District will reject any Proposal containing material deviations from the RFP. The District may waive any minor irregularities and technicalities. If only one responsive Proposal is received, the Team may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C. The evaluation process will be conducted as described below. Evaluation of Proposals will be based on an average of the Evaluation Team Member's points (for sections evaluated by the Team).

3.3.1: Responsiveness Determination: Each Proposal will be reviewed by the District's Purchasing Department to determine if the Proposal meets the mandatory responsiveness criteria as listed in Section 1.4(j) of the RFP. Proposals deemed non-responsive will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a member of the Evaluation Team.

3.3.2: Cost Evaluation: The District's Purchasing Department will review and assign Cost Points based on the formula below:

Cost Component	Weight
Rate per hour for FDOH licensed SLP (In-Person)	30
Rate per hour for FDOE licensed SLP Assistant (In-Person) supervised by a licensed SLP provided by the Contractor	20
Rate Per Hour for SLP requiring District Supervision due to holding provisional licensure (In-Person)	20
Rate per hour for FDOH licensed SLP (Remote)	15
Rate per hour for FDOE licensed SLP Assistant (Remote) supervised by a licensed SLP provided by the Contractor	15
Total Cost Points	100 points

For Cost Points, the Vendor submitting the lowest Cost will receive the total points assigned for that component. All other Proposals will receive Cost Points according to the following formula:

$$(N / X) \times \text{Weighted Cost Points Assigned} = Z$$

Where:

N = Lowest Price (per cost component) received by any Proposal

X = Vendor's Proposed Price

Z = Cost Points Awarded

Then the points scored for each cost component will be added together to determine the Total Cost Points Awarded.

3.3.3: Evaluation Team: This step evaluates the strengths of the companies that have responded to the RFP. The Team will score the Proposals using the evaluation criterion below.

Evaluation Criterion	Maximum Assigned Points

3.3.4 Score Computation: All scores will be calculated (sections scored by the Team will be averaged per criterion) and combined for a Grand Total Score.

3.3.5 The table below provides scoring guidelines to be used by the District's Evaluation Team members when allocating points:

Score	Score Description
Excellent	Exceeds expectations for effectiveness and responsiveness to the requirement. "Excellent" is defined as a proposal to a specific criterion that is extensive, detailed, exceeding all requirements and objectives of the solicitation, with the high probability of meeting the requirements with little or no risk to the School District. "Excellent" also demonstrates a complete understanding of the requirements, with the approach significantly exceeding performance and/or capability standards, has several exceptional strengths, shows no weaknesses, and will require normal contractor effort and project monitoring.
Good	Above minimum performance, effective and responsive to the requirement. "Good" is defined as a proposal which generally exceeds requirements in minor areas; therefore, has a good probability of meeting the requirements with little risk to the School District. "Good" also demonstrates a good understanding of the requirements, and the approach exceeds the performance or capability standards,

	with one or more strengths that will benefit the School District. Weaknesses will have little potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Normal contract effort and project monitoring will be required to overcome any difficulties.
Fair	Minimal acceptable performance standards and responsive to the requirement. "Fair" is defined as a proposal which generally meets the requirements. "Fair" demonstrates acceptable understanding of the requirements and the approach meets the performance or capability standards with no obvious strengths that will benefit the School District. Weaknesses will have the potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Special contractor emphasis and close monitoring will probably minimize any difficulties of risk.
Poor	Responsive to the requirement but below acceptable standards. "Poor" is defined as a proposal that demonstrates a limited understanding of the requirements, includes minor omissions, and the approach barely meets the performance or capability standards necessary for minimal contract performance. "Poor" demonstrates a misunderstanding of the requirements that may be corrected or resolved through discussions without a complete revision of the Proposal. Weaknesses can potentially cause some disruption of schedule, increase in cost, and/or degradation of performance even with special contractor emphasis and close project monitoring.
Unsatisfactory	Not responsive to requirement. "Unsatisfactory" is defined as a proposal not meeting the requirements without major revisions and proposes an unacceptable risk. "Unsatisfactory" demonstrates a misunderstanding of the requirements; the approach fails to meet performance or capability standard and contains major omissions and inadequate detail to assure the evaluator that the respondent understands the requirement.

3.4 Advertising Notice of Board Decision

A Contract will be awarded to the Responsive and Responsible Vendor(s) who receive the highest Final Score, considering price and other requirements as set forth in Section 3.3. The District reserves the right to award one (1) or more Contracts, in whole, or for part, for the services sought in this RFP. The District reserves the right to accept or reject any and all offers, or separable portions, and to waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the best interest of the Board.

As in any competitive solicitation, the Board shall advertise a public notice of Board Decision when the Board has decided on the outcome of the solicitation including, but not limited to, a decision to award a Contract(s), reject all Proposals, or to cancel/withdraw the RFP.

The Notice of Board Decision will be advertised on or about the date shown in the Timeline and will remain posted for a period of 72 hours (Saturdays, Sundays, and District holidays shall be excluded in the computation of the 72-hour period).

3.5 No Prior Involvement and Conflicts of Interest

Any Proposer who participated through decision, approval, disapproval, recommendation, preparation of any part of the purchase, influenced the content of the solicitation, rendered advice, investigated, audited, or served in any other advisory capacity, is ineligible to participate in this solicitation.

Additionally, no Proposer shall compensate in any manner, directly or indirectly, any officer, agent, or employee of the District for any act or service which he/she may do, or perform for, or on behalf of, any officer, agent, or employee of the Proposer. No officer, agent, or employee of the District or Board shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Board. The Proposer shall have no interest, and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this RFP.

Certification and acceptance of this provision is incorporated in Attachment II, Required Provisions Certification.

3.6 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. If the Proposer considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Proposer must also simultaneously provide the District with a separate redacted copy of its Proposal and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Proposer on the cover, and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Proposer submits its Proposal to the solicitation, and must only exclude or redact those exact portions which are claimed confidential, proprietary, or trade secret. The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure. Further, the Proposer shall protect, defend, and indemnify the District for any and all claims arising from or relating to Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Proposer fails to submit a Redacted Copy with its Proposal, the District is authorized to produce the entire documents, data, or records submitted by the Proposer in answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents, be liable for disclosing, or otherwise failing to protect, the confidentiality of information submitted in response to this solicitation.

3.7 Small Business Participation

This RFP, in the evaluation phase, is subject to the small business development provisions specified in Board Policy 6325. If the Proposer is considering using subcontractors, the District highly encourages the use of small business vendors.

SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service, which affects the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Proposers due to this RFP or Contract.

4.4 E-Verify

Per Executive Order 11-116, "The provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the contract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. Executive Summary/Letter of Interest

Therapeutic Endeavors, LLC is a local female minority owned Speech-Language Pathology Private Practice. Therapeutic Endeavors is interested in servicing Leon County Schools secondary to my love for the school district that curated my education from Elementary School to High School. I've had the pleasure of obtaining my first job as an after school counselor all the way to my first professional job upon graduation from Florida State University with Leon County School Board as a Speech Therapist. It's been a pleasure to be an affiliate as a current contractor with an organization that I have so many remarkable memories with.

Over the past 8 years, I have developed a local Private Practice that encompasses 3 licensed Speech-Language Pathologist, and 1 Speech-Language Pathology Assistant. We have had the pleasure of covering 8 Schools in Leon County throughout this school year.

Prior to servicing Leon County Schools we served Gadsden County School District for 2 years prior to serving our home district. We also contract with other local businesses including 3 state contracts, who need Speech Language Pathology Services, or consultancy.

You will notice that some of our Speech Language Pathologist staff share similar experiences and vested interest on their resumes as they too are products of Leon County School education.

Britney Whitaker Desir-Owner-M.S. CCC-SLP- 5 years with Therapeutic Endeavors

Alexis Dyess- Speech Language Pathologist- 1 year with Therapeutic Endeavors

Kelsey Young-Speech Language Pathologist-M.Ed. CCC-SLP-6 years with Therapeutic Endeavors

Jessica Weisensale-Speech Language Pathologist Assistant B.S.- 2 years with Therapeutic Endeavors

It is our hope that we be granted the opportunity to continue serving the schools and students within our community as we have developed meaningful relationships with those that we serve. Thank you for your consideration.

Respectfully Submitted,
