The Contractor must provide written notice to the District's Contract Manager, or designee if a new employee is designated as the contact person for this Contract.

VIII. Termination

A. Termination for Convenience

The Contract may be terminated by the District upon no less than 60 calendar days' notice and by the Contractor upon no less than 180 calendar days' notice, without cause, unless a lesser time is mutually agreed upon by both parties. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in-person with proof of delivery.

B. Termination for Cause

If a breach of this Contract occurs by the Contractor, the District may terminate the Contract for cause. The District chooses to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. Any breach of this Contract which is still left uncured by the Contractor after the District has elected to provide 30 calendar days to cure (remedy) the breach, may result in the District's termination of this Contract upon 24 hours written notice by the District. If the District does not elect to afford an opportunity for the Contractor to cure a breach (e.g. instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of this Contract.

D. Termination for Lack of Funds

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours notice, in writing, to the Contractor. Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is canceled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

IX. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager, or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special district of the State of Florida upon providing written notice to the Contractor.

X. Subcontracts

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager, or designee, enter into written subcontract(s) for the performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

XI. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace, outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

XII. Additions/Deletions

During the term of the Contract, the District reserves the right to add or delete the number of commodities or services, when considered to be in its best interest. Pricing shall be comparable to the amounts awarded.

XIII. Other Conditions

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public

All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made, or received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

The District reserves the right to require additional insurance where appropriate.

If the Contractor is a state agency or subdivision as defined in Section 768.28, F.S., the Contractor shall furnish the District, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any Party's liability beyond that provided in Section 768.28, F.S.

E. Employee Status

This Contract does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the District and Contractor are independent contractors under this Contract and neither is the employee of the other for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.

2.5.9 Field Scouting

The awarded Contractor must visit each field bi-weekly to check for re-infestations of insects or areas of weeds that the chemical application may not have controlled. The awarded Contractor is to send notifications to the Grounds Department District Project Coordinator by email about which field product was used, the rate of the product, and the reason for the retreatment before the retreatment of the field for approval. Any re-application of the product will be at the contractor's expense.

- h. The awarded Contractor shall not impede nor interfere with the normal function of the facility, its occupants, or programs.

2.5.12 Familiarity with Sites

Each Bidder is encouraged, prior to submitting their bid, to examine the sites to determine the extent of the work involved and the conditions under which he must perform the work. Submission of a bid shall constitute an acknowledgment by the Bidder that they are familiar with all site conditions. The failure or neglect of a Bidder to familiarize himself with the site of the proposed work shall in no way relieve him from any obligations with respect to their bid. The District expects that the awarded Contractor carry out the work of this contract with minimal disruption to the school site/facility.

2.5.13 Site Additions/Deletions

Sites for work may be added or deleted as required for the duration of the contract.

- Documentation/review of timely response to work requests;
- Documentation/review of timely completion of work as assigned; and
- Documentation/review of invoices

The Contract District Project Coordinator will provide a written monitoring report to the Successful Bidder within 30 days of a monitoring visit. Non-compliance issues identified by the Contract District Project Coordinator will be described in detail to provide the Successful Bidder(s) the opportunity for correction, where feasible.

Within ten calendar days of receipt of the District's written monitoring report, the Successful Bidder shall provide a formal Corrective Action Plan (CAP) to the Contract District Project Coordinator (email acceptable) in response to all noted deficiencies, including responsible individuals and required time frames for achieving compliance. Unless specifically agreed upon in writing by the Contract District Project Coordinator, time frames for compliance shall not exceed 30 calendar days from the date of receipt of the monitoring report by the Successful Bidder. CAPs that do not contain all the information required shall be rejected by the Contract District Project Coordinator in writing. The Successful Bidder shall have 15 calendar days from the receipt of such written rejection to submit a revised CAP; this will not increase the required time for achieving compliance. All noted deficiencies shall be corrected within the time frames identified in the CAP or as amended with prior approval of the District. If deficiencies are not corrected within the approved timeframe, the District will impose a financial consequence of \$100 per day until corrected. The Contract District Project Coordinator may conduct follow-up monitoring at any time to determine compliance based on the submitted CAP.

The District reserves the right to accept or reject any and all offers or separable portions and waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the Board's best interest. The Bidder shall have no interest and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this ITB.

3.5 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities, as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. If the Bidder considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Bidder must also simultaneously provide the District with a separate redacted copy of its Bid and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Bidder on the cover and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Bidder submits its Bid to the solicitation and must only exclude or redact those exact portions that are claimed confidential, proprietary, or trade secret. The Bidder shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure.

Further, the Bidder shall protect, defend, and indemnify the District for any and all claims arising from or relating to the Bidder's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Bidder fails to submit a Redacted Copy with its Bid, the District is authorized to produce the entire documents, data, or records submitted by the Bidder in answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents be liable for disclosing or otherwise failing to protect the confidentiality of information submitted in response to this solicitation.

3.6 Florida Preference

When a school district is required to make purchases of personal property through competitive solicitation and the lowest responsible and responsive bid, proposal, or reply is by a vendor whose principal place of business is in a state or political subdivision that grants a preference by that state or political subdivision, and then the school district shall award an equal preference to the lowest responsible and responsive vendor having a principal place of business within Florida. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state, and that state

does not grant a preference in competitive solicitation to vendors having a principal place of business in that state, the preference to the lowest responsible and responsive vendor having a principal place of business in the State of Florida shall be five (5) percent. F.S. 287.084(1)(a).

A vendor whose principal place of business is outside this state must accompany any written bid, proposal, or reply documents with a written opinion of an attorney at law licensed to practice law in that foreign state as to the preferences, if any or none, granted by the law of that state to its own business entities whose principal places of business are in that foreign state in the letting of any or all public contracts. SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service that affect the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation, and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Bidders due to this ITB or Contract.

4.4 E-Verify

Per Executive Order 11-116, "The provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the contract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor shall not enter into a contract unless each party to the contract registers with and uses the E-Verify system per Section 448.095, F.S.

4.5 Subcontracts

The Contractor may, only with the prior written consent of the District, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission must be identified in the submitted Proposal using Attachment

VII, Subcontracting Form. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the District. No subcontract, which the Contractor enters into concerning the performance of any of its functions under the Contract, shall in any way relieve the Contractor of any responsibility for the performance of its duties. All subcontractors, regardless of function, providing services on District property shall comply with the District's security requirements, as defined by the Board, including background checks, compliance with Board Policy 2.021, the Jessica Lunsford Act, and all other Contract requirements. All payments to subcontractors shall be made by the Contractor.

If a subcontractor is utilized by the Contractor, the Contractor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the District, per Section 287.0585, F.S. It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract. Failure by the Contractor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Prime Contractor to the subcontractor in the amount of one-half (½) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

4.6 Background Screening Requirements/Jessica Lunsford Act

Florida Statutes contain certain fingerprinting and/or screening requirements pertaining to all persons or entities entering into contracts with Schools, School Boards, School Districts, and Charter Schools who may have personnel who will be on school grounds when students may be present. Any individual who fails to meet the statutory requirements shall not be allowed on school grounds. Failure to comply with the statutory requirements will be considered a material default of this Contract. The Contractor shall bear all costs associated with background screening.
