The Contractor must provide written notice to the District's Contract Manager or designee if a new employee is designated as the contact person for this Contract.

A. Termination for Convenience

The Contract may be terminated by the District upon no less than 60 calendar days' notice and by the Contractor upon no less than 180 calendar days' notice, without cause, unless a lesser time is mutually agreed upon by both parties. Notice shall be delivered by certified mail (return receipt requested), by another method of delivery whereby an original signature is obtained, or in-person with proof of delivery.

B. Termination for Cause

The District chooses to provide, at its exclusive option, an opportunity for the Contractor to cure the breach for cause within 30 calendar days upon written notice of the deficiency by the District. If the District does not elect to allow the Contractor to cure a breach (e.g., instances of egregious Contractor conduct or other Contractor actions which may be harmful to the District), the District may immediately terminate this Contract for cause, upon 24 hours' written notice to the Contractor, as described in this section. Notice shall be delivered by certified mail (return receipt requested), in person with proof of delivery, or by another method of delivery whereby an original signature is obtained.

E. Contract Termination Requirements

If at any time, the Contract is canceled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes but is not limited to, the timely provision of all Contract-related documents, information, and reports not otherwise protected from disclosure by law to the replacing party.

VIII. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special District of the State of Florida upon providing written notice to the Contractor.

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager or designee, enter into a written subcontract(s) for the performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

X. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

When a school district is required to make purchases of personal property through competitive solicitation and the lowest responsible and responsive bid, proposal, or reply is by a vendor whose principal place of business is in a state or political subdivision that grants a preference by that state or political subdivision, and then the school district shall award an equal preference to the lowest responsible and responsive vendor having a principal place of business within Florida. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state, and that state does not grant a preference in competitive solicitation to vendors having a principal place of business in
