Re: Sole Source Letter

Liburdi Dimetrics Corporation (LDC) is a sole source vendor and manufacturer of the following items.

PTW 160 Orbital Welding Power Supply
5002 Orbital welding (fusion) HeadOwned by LTC
"F" Orbital welding head for pipe
Gold Track III Power Supply

LDC does not have a Florida Distributor for its products. Educational institutions in Florida will be serviced and supported by our company in Mooresville, NC. Equipment repair will be provided by our Mooresville factory and technical support will be provided by our Florida representative (backed up) by factory personnel.

Thanks for your interest in our company and products.

Sincerely,

Tim Gittens
