

Montford Middle School Beginning Band Camp

Who is camp for: This camp is for any rising 6th grade (current 5th grade) student who plans to attend Montford Middle School in the fall and is potentially interested in joining the Beginning Band.

When is camp: Camp will be June 17-20, 9 AM-Noon each day

What will we do at camp: Students will have the opportunity to begin working on one of our many band instruments. Students will focus on one instrument for the 4 days of camp, and learn as much as possible about how to play in this short time. This instrument is not necessarily the one they will play in the fall, but it will likely help lead them to their final choice.

How much is camp: Camp is \$100 per student. This includes access to instruments, fees for camp instructors, snacks and water each day, use of the facility, purchase of music books, etc. Checks should be made out to Montford Middle School.

How do I sign my student up for camp: Use this QR code to access the online sign up form. Additionally, get the \$100 check for sign up to Montford Middle School either in person or via mail (Attn: Luke McManus if using mail) Sign ups must be complete and money received by April 19.

We look forward to meeting many of you this summer!!!
