MONTHLY BREAKFAST MEETINGS

Every first Friday of the month

Meet in Ms. Barrett's Room 5 – 112

Before Class 8:45 a.m. – 9:20 a.m.

SOME THINGS TO THINK ABOUT BEFORE APPLYING:

- There are a lot of clubs and sports at Montford – Do I have the time in my schedule to do 1 recycling pick up day a week?
- Will the Green Team monthly meetings on the first Friday of each month conflict with any other meetings or activities that I need to do?
- Recycling pickup takes about 30 minutes – Can I be at school around 8:55 a.m. at the latest to be on time for my pickup day?
- Will I be able to lift a full recycling bin with the help of another student?
- Green Team promotes leadership and good citizenship – Can I avoid getting a referral or a citizenship grade of a 2 this year?
- As a student, your education comes first. Will I be able to keep track of my grades and classwork this year? If I'm failing a class, I will not be able to participate in Green Team activities until I bring my grade up.

Applications due by Thursday, August 28th. All of your information will be taken in to account when looking through applications. Any 6th, 7th and 8th grade student can join Green Team so spots will have to be limited. I will notify the student and their 1st Period teacher by email if their application has been accepted.
