

Dear Parents and Students,

Thank you for your interest in being a majorette at Montford Middle School! I am so excited about the upcoming opportunities for the girls to show their spirit for their school. We are looking for girls who will be leaders not only in the athletic ability, but in sportsmanship and academics.

First let me say that I could not be more excited about the opportunity to continue the growth of the Majorette line here at Montford Middle School. As a twirler myself, I know how much effort and dedication go into the sport. This year will be a lot of work, but we are going to have a great time building the majorette line at Montford Middle.

Try-outs will be held on Thursday April 18<sup>th</sup> . There will be a mandatory clinic on April 16<sup>th</sup> from 4:30- 6:30 p.m. for students to learn two different baton tosses and a short dance routine.

Please keep in mind that the majorettes have a yearlong season and it is a *large time commitment*. We will have practice each week, various athletic events to attend most weeks, and occasional parades throughout the community. The majorettes will have the responsibility of encouraging enthusiasm in the students and fans.

Again, thank you for your interest in the majorette line at MMS, and I look forward to seeing you at try-outs!

Sincerely,
