

2023 Middle School Track Go Fan

The district is implementing paperless tickets for our middle school middle school track & field meets this year. Leon County Schools is already working with Go Fan as our official digital ticket provider for high school athletics and events and this year we will expand to the middle school track & field meets.

Parents and students can use the Q-R code attached that directs them to the Go Fan site to purchase tickets. Every week we will have new Q-R code. Once you arrive at the track, you will present your ticket to the volunteers at the gate. The process is pretty easy and seamless.

1. Tickets are \$5 dollars. Students and parents need to have the app on their phone.
2. Cash option is \$5 for parents and students at gate.
3. A new Q-R Code will be posted every week for the upcoming meet
