

21st Century @ Ruediger Elementary School

Reaching Every Student– All Day, Every Day, In Every Way!

Welcome to Ruediger's 21st Century program. It is our goal to offer a safe, nurturing environment for your children after school each day and provide them with homework assistance as needed. Children will experience a wide array of activities ranging from weekly arts and crafts projects, games and projects that promote social interaction and community involvement. After School Care is available on all school days, including those that are half-day.

Questions regarding 21st Century can be answered by calling **(850) 488-1074 ext. 30**.
