Student Spotlight: Hadley Hobbs

By: Sarah Christie & Mati Blatt

This year's fall spotlight student was 8th grader Hadley Hobbs. This meant the world to Hadley. She felt overjoyed with happiness when she won this recognition. Hadley always sees the good in people and is on her best behavior even when no one is watching. Being kind and respectful is extremely important to Hadley; her mom always taught her that, "everyone will remember

Mustangs had so much fun at Montford's annual fall dance on Friday, October 17th! The dance had a decades theme, which was shown through the signs, lights, and other decorations put up all around the gym. An estimated 500 students were in attendance. Students had a great time dancing to popular songs played by the amazing D.J. There was a very popular photo booth for

students to take pictures with their friends, and a printout they could take home to show their families. Students reported the line for the photo booth was long. We asked 7th grader, Ella Fansler, what her two favorite parts of the dance were, and she said, "all the fun music and dancing with my best friends." Mustangs are looking forward to what the next dance will be.

By: Ella Cooksey & Robyn Pearce

Ms. Koprowski, Ms. Rivera, and Ms. Cosenza are all new teachers working in building three. They've already become good friends and are a great addition to the Montford staff! Over the first quarter, they've been able to work together and support each other as new teachers. They're a smart, creative, hardworking, funny, and kind bunch. They're always ready to help their students with anything they need, whether it's schoolwork or advice. They make learning fun and always bring good vibes to the

Go Pink Campaign

By: Lorelei Bryan & Liliana Razzano

On Wednesday, October 1st, the Cheerleaders held the "Go Pink!" campaign for Breast Cancer Awareness, selling donuts and pink lemonade and painting faces with dots, ribbons and handprints before school. All money raised went to the Joanna Francis Living Well Foundation, which helps support people through their battle with breast cancer. The campaign earned a total of \$1,600. The campus wore pink to support the campaign. The cheerleaders lead this yearly for a great cause, as Mrs. Lowery overcame breast cancer herself. She said, "Go Pink holds a very special place in my heart. The entire month of October fills me with hope- hope that one day we'll find a cure for this devastating disease. Hope that the women currently fighting breast cancer recognize the incredible strength within themselves. And hope that my journey as a nine-year survivor reminds those newly diagnosed that they are not alone, and that they, too, can overcome this."
