

**Montford Middle School  
Parent Override Form**

**Signing an Override Form does not guarantee placement into the courses you are requesting. Eligible students will take priority for the limited open spaces.**

Student Name: \_\_\_\_\_ Student Grade: \_\_\_\_\_

- 1. Course Requested: \_\_\_\_\_ Recommended Course: \_\_\_\_\_
- 2. Course Requested: \_\_\_\_\_ Recommended Course: \_\_\_\_\_
- 3. Course Requested: \_\_\_\_\_ Recommended Course: \_\_\_\_\_
- 4. Course Requested: \_\_\_\_\_ Recommended Course: \_\_\_\_\_

**Please initial each statement to acknowledge you have read and understand its content.**

- \_\_\_\_\_ A schedule change into the originally recommended course may not be requested nor will it be honored once the school year has begun.
- \_\_\_\_\_ If choosing to override the teacher recommendation places the student in a more advanced level class, tutoring, extra help, etc. is the responsibility of the parent.
- \_\_\_\_\_ I accept responsibility for the progress of my student in the requested course(s) because I am electing to remove my student from the course(s) recommended by the teacher.

**Initial each statement below if the override places the student in a high school credit course of Algebra I, Geometry, Biology, Earth Space Science, Spanish I, or Spanish II.**

- \_\_\_\_\_ Grades earned in high school credit courses start the student's high school transcript. The grades earned in these courses will affect their high school GPA, placement in courses once enrolled in a high school, college applications, graduation rank, and NCAA/NAIA status.
- \_\_\_\_\_ Students may not re-take a high school credit course unless they earn a grade of C or lower and it must be retaken in the next academic term.
- \_\_\_\_\_ Students enrolling into a high school credit course of the next level of progression will not be permitted to retake a course at the lower level once they have completed the higher level course. (Example: If a student has taken Algebra I, they cannot take Pre-Algebra, or a lower level course the following academic year, they must move on to Geometry.)
