

2023 Montford Middle School Summer Reading Program

Summer is just around the corner, offering students time to vacation, spend time with family, enjoy outdoor activities, and hopefully have the opportunity to relax. We want you to take advantage of this time and enjoy yourself. In addition, we want you to be a successful student. A summer reading program has been shown to enhance your reading development. We have developed a required summer reading program at Montford to encourage the continuation of reading, giving you an opportunity to explore literature through analysis and thoughtful interpretation. Below we have outlined the requirements for this year's summer reading. You can also [visit our department webpage at montfordela.weebly.com](http://montfordela.weebly.com) to access our summer reading page that contains more detailed information, including links to documents and resources that will ensure success and fun with reading over the summer.
