

MONTFORD MIDDLE SCHOOL 2022/2023 SUPPLY LIST

Welcome to Seventh Grade!

The list below provides a minimum list of items that your upcoming seventh grader might need as he or she heads back to school. However, some teachers at Montford Middle School may require alternative specific items for student success in their classes. Students will receive specific information about their individual teachers' classroom supplies requirements during the first week of school; some teachers may require the use of student chrome books during class.

The Seventh Grade Team of teachers look forward to seeing your student(s) in August!

-
- Chrome book (**LCS issue only**) * -Device should be fully charged at the start of each day.
