

Summer Reading Program

Summer is just around the corner and hopefully quality family time, the outdoors and relaxation. We know that this year has brought us some unusual challenges so we are not requiring summer reading.

However, a summer reading program has been shown to enhance your reading development. We hope that you take this opportunity to explore literature.

This year we are suggesting that you read one of the 2020-2021 Sunshine State Books. In the fall, there will be opportunities to receive extra credit through your language arts class. It will also start you on your way to qualifying for the Sunshine State Voting Party in the spring. In order to qualify, you must read 3 of the books by next March. Why not get a head start?

Sunshine State books offer a variety of genre choices. This year's list offers: fantasy, multicultural, graphic novel, realistic fiction, historical, sports, mystery and adventure. There is something for everyone!

Per School Board Policy 2240, Leon County Schools recognizes that certain instructional materials may conflict with a student's or parent's value system. In such cases, a parent may request in writing an alternative summer reading assignment. Please direct inquiries to Joyce Madsen.
