

Pikmykid

In our ongoing efforts to enhance your child's safety and simplify dismissal... We have implemented PikMyKid. Using this new way of dismissal allows the parent to "announce" their arrival in the afternoon. The student will see the announcement and head to parent pick up from their classroom. Parents can also change their child's mode of transportation and delegate someone different to pick them up after school.

Please see the links below to learn more about how we will be implementing PikMyKid here at Woodville School this coming school year!
