

Grandparents Day

Sept. 29 & Oct. 2

This is a special time for grandparents to come and enjoy lunch with their grandchildren. They may purchase a school lunch for \$3.50 or bring something special from off campus.

We do ask that you choose healthy options...no soda or candy.

Grandparents also can have their picture taken with their grandchild, attend the Book Fair, and visit their grandchild's classroom. Once your child's teacher picks up the class from lunch, we encourage you to use this time to visit and maybe purchase a book from the Book Fair.
