Information & Policies
Hours: 7:30 A.M. – 8:45 A.M.**

PURPOSE

Raa Middle School is proud to offer a *Before-School Enrichment Program* for your student(s). We hope this program will serve as a means to assist our families with before school care while offering well-supervised, varied and educational opportunities that will enrich your student with middle school related activities. Enrichment activities will include technology and STEM exposure, homework and study skill centers, home economics, career exploration, sports and fitness, public speaking and much more. Additional enrichment activities will be driven by student interest.

ELIGIBILITY AND ENROLLMENT

Extended Day Enrichment Program participants must be enrolled at Raa Middle School and meet the basic entry criteria in the areas of self care, communication, mobility, and social-emotional development. All participants must complete the *Before- School Enrichment Program* registration form prior to participation.

The program will be offered Monday – Friday on campus.

A minimum of 20 students must be enrolled in the program. In addition, the program will be capped at 50 students until such time as additional staff can be hired to meet the adult to student ratio.

SCHEDULE & FEES

Fees are to be paid in full by 4:00 p.m. on the appropriate due date. The School Board has approved no other method of fee payment. **Children may not attend the program until fees are paid.** Please make your checks or money orders payable to Leon County Schools. Raa Middle School EDEP does not accept cash or credit/debit cards as a form of payment. Payments should be given in person to an Extended Day staff member only. Extended Day is not responsible for payments delivered in any other way.

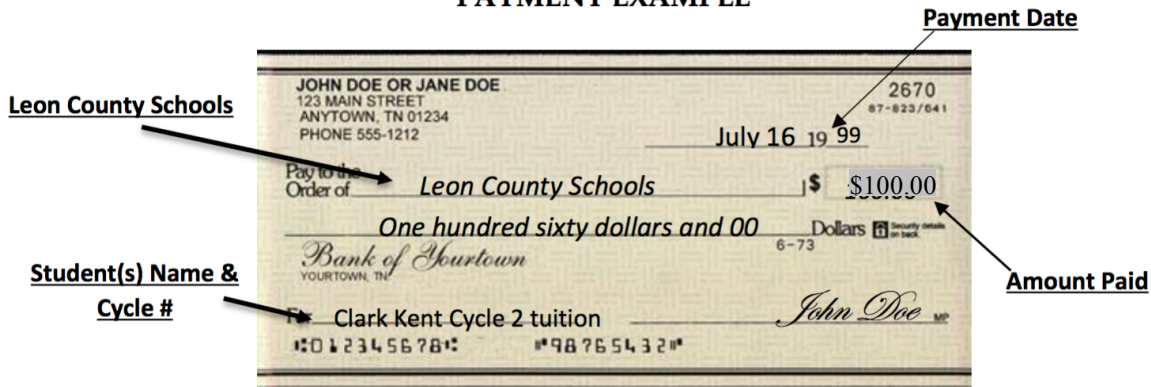

A \$10.00 fee will be charged for payments received after 4:00pm on the due date. Late fees cannot and will not be waived due to student illness, or student related absences on the payment due date. Parents may always pay ahead to avoid late fees. NSF checks will be given to our collection agency and will need to be cleared through Payliance. All future payments must then be made in the form of a money order until confirmation is received from Payliance that the issue is resolved. Please note that if two checks given as payment are not valid and found insufficient, EDEP will no longer accept checks as a payment for your student for the remainder of the school year. All payments must then be made in the form of a money order.

Program Operation Monday – Friday: 7:30 A.M. – 8:45 A.M. - \$100.00 per 18 Day Cycle

There is a one-time \$25 non-refundable supply and activity fee.

If a family has more than one child participating, the second child will receive a 10% discount.

PAYMENT EXAMPLE

PAYMENT CYCLES & FEE SCHEDULE

The school calendar cycle date fees are listed below. A cycle consists of 18 school days. There are 10 cycles per school year. Weekends, holidays, and teacher planning days are not considered school days. No credits will be forwarded to the next cycle for days unused.

Cycle payment due dates must be strictly enforced. The *Before-School Enrichment Program* will send home courtesy reminders prior to cycle due dates. **Failure to receive a reminder does not relieve parent or guardian from payment due dates and late fees.** Tuition payments must be made by check or money order with the student’s name, grade level, and a current phone number on your check made payable to Leon County Schools. **Cash is not accepted.**

All participants must complete the *Before-School Enrichment Program* registration form and pay the \$25.00 non-refundable supply and activity fee prior to program participation.

There will be a \$10.00 late fee for payments received after the payment due date. NO other payment plan or credit has been approved by the Leon County School Board. Sessions are prearranged so days may not be traded or substituted. NO refunds are permitted after the first day of each session except for cases of prolonged illness (two weeks of longer) or family relocation. Parents must request the refund in writing. **This program does not provide itemized statements for tax refunds.** You may call the front office if you need our tax identification number.

The Federal Tax Identification number is **59-6000709**.

SCHOOL HOLIDAYS

We are only open on regular school days for students. There are no activities planned for teacher workdays or holidays during the school year.

DAILY SCHEDULE

The *Before-School Enrichment Program* opens at 7:30 A.M. daily in the Home Economics Room/Lab C. Students are to report directly to this area and sign-in. Daily attendance will be taken each morning as students arrive. For the safety and well being of participants, all students must sign-in daily, remain in their session at all times, and are not allowed to roam the campus.

Parents are to call the front office if their student will not be attending on their regularly scheduled days. It is our policy that if a child does not arrive at the program as intended, the coordinator will contact a parent/guardian. Absentees without prior notification may be mistaken for a missing child and unnecessary concern and time spent in searching for the child may occur.

A Homework/Study Skills Center is available each morning. No homework is graded or checked for accuracy by the school staff. It is the student's responsibility to complete the homework just as they would at home.

HEALTH

Raa Middle School does not carry accident insurance on participants. Therefore, it is the responsibility of the parent to ensure that your child is covered under your family policy or inquire about obtaining a policy through Leon County Schools. Check with the front office for an application.

If a student reports to the *Before-School Enrichment Program* ill, a parent will be contacted to pick up the student. Only persons listed on the Registration form will be allowed to pick up a student and a photo ID is required for pick-up. If you need a friend, co-worker, or relative to pick up your child and you know that they are not listed on the registration form, call us at 850-488-6287. The person will be required to show a photo ID. This policy is for the protection of your child and will be strictly enforced; NO EXCEPTIONS.

We cannot administer medication to your student in the *Before-School Enrichment Program* so please make arrangements for this through the school health assistant in the main office clinic.

DISCIPLINE

To achieve the goal of providing a quality enrichment program for children in an environment of cooperation and respect, all members of the Extended Day Enrichment Staff utilize positive discipline practices. These policies and practices are consistent with, and conform to, our school's discipline policy. If discipline practices such as non-punitive interactions, redirection, and/or time-out, do not facilitate the appropriate behavior, parents of the student requiring special attention will be asked to attend a conference to discuss and assist in implementing measures needed to assure appropriate behavior and continued participation. If the student chooses not to, or cannot demonstrate appropriate behavior within the program, their behavior will be interpreted to mean that the student does not have either the capability or desire to participate in the program. At such a time, the student will be asked to leave the program by request of the Extended Day Enrichment Coordinator. Should it be deemed the participant is capable, but chooses not to behave in an appropriate manner, no refund will be given.

BREAKFAST

Students will be released at 8:45 A.M. to wait for the first bell. Students wishing to eat breakfast may do so at this time.
