

FLORIDA STATE UNIVERSITY COLLEGE OF EDUCATION

FSU's Online Program in Educational Leadership/Administration

Do you love teaching, but have begun to think about becoming a school leader? Let the *fully online* Educational Leadership program at Florida State University help!

You can earn your Educational Leadership certification through the master's (M.S.), specialist (Ed.S.), or certificate tracks.

Our program offers:

- **Quality.** FSU's online graduate programs in Education are ranked **#3** in the nation by *U.S. News and World Report* and our students' scores on the Florida Educational Leadership Examination (FELE) are well above the state average!
- **Flexibility.** With our online program, there is no need to interrupt work and family life to move to Tallahassee. You can complete the program in a cohort model within two years.
- **Affordability.** Our program's tuition is lower than that of other programs in the state. And because our program is online, you can *learn while you earn* by maintaining employment while completing your degree.
- **Opportunity.** Our program is approved by the Florida Department of Education, so upon graduation, you will be eligible for certification in Educational Leadership, ready to hit the ground running!

We admit students for both the Fall and Spring semesters. **The Fall 2017 application deadline is June 1.** To learn more, visit education.fsu.edu/eda.
