TUESDAY: SCIENCE & Social Studies VIRTUAL FIELD TRIP

Since we missed out on our field trip to Joe Budd, I thought that you would enjoy a virtual trip visiting some aquariums, zoos, and national parks around the United States. Have fun!

Start in Baltimore, Maryland with a virtual tour of the [National Aquarium](#). Before you go to Georgia, take the short trip to Washington D.C. and visit the [National Mall](#).

Next, you are headed to the Georgia Aquarium to get a live view of the [beluga whales](#) and more. While you are in Atlanta, you may want to explore the [World of Coca-Cola](#) to sample one of the [100+ flavors](#).

Head to the [Houston Zoo](#) in Houston, Texas. There you will be able to see the giraffes, gorillas, elephants, leafcutter ants, and more. You may want to stop for a nice TexMex lunch before getting back on the road.

To break up the long trip to California, make a stop at Grand Canyon National Park. While there, take a scenic [hike](#) into the canyon and an exhilarating [rafting trip](#) on the Colorado River through the canyon.

Your next stop is San Diego, California. Head to the [San Diego Zoo](#). Make sure to visit with all the animals, but especially the hippopotamuses, pandas, and tigers.

Finally, travel to the largest US state, Alaska. Enjoy the natural beauty of [Denali National Park](#). If you are a dog lover, make sure to check out the [sled dog](#) kennels. I hope you had a fun trip. You should sleep well tonight!

WEDNESDAY-FRIDAY: COVID19 TIME CAPSULE

* Listen to storyline.online read aloud of : [Wilfrid Gordon McDonald Partridge](#) by Mem Fox

* [Covid19 Time Capsule](#) – choose a page or two complete.

I really hope you enjoy taking the time to complete this project. We are living through something that will become a piece of history. For any students who complete it or complete certain pages of it they will be given the opportunity to share with all of the class on our zoom call on Thursday. 😊 If not, I would love to hear about your memory book.

*Play a board game or card game of your choice.

*Make paper airplanes and fly them outside.

*11:30 – Fifth Grade Graduation Parade!
