

Chiles High school Clinic Medications

2020-2021

ALL medications, (prescription, over-the counter and self-administered) must be submitted with the appropriate school health form(s). Please fill out the forms thoroughly. Parents/guardians must bring the medication and school health form(s) to the Chiles clinic. The medication will be counted, recorded and signed in on the medication log. Students are not allowed to drop off or pick up medication. School health forms must be updated yearly.

Prescription Medication

*Daily medications that are taken during school hours and can't be altered.

- School health form on file and signed by healthcare provider.
- Prescription in original packaging.

Over-the-Counter Medication

* Ibuprofen, Tylenol, Benadryl

- School health form on file and signed by healthcare provider.
- The clinic will only hold a **5 DAY** supply, without the healthcare provider's signature.
- If your student will be in need of the medication longer than 5 days, the healthcare provider must approve and sign the school health form.
- Medication in original packaging.

Self-Administer/Carry

*EpiPen , Inhaler

- School health form on file and signed by healthcare provider.
- Medication in original packaging.

Below you'll find the link to all School Health Forms.
