Able Flight Scholarships	<p>Scholarship Value: \$5,000</p> <p>Above all, candidates must be dedicated to the idea that they, too, can change their lives by learning to fly or training for a career in aviation. Able Flight encourages people with a variety of physical disabilities to apply for a scholarship.</p> <p>Learning to fly is a demanding endeavor, with long hours of ground school study and many hours in the air. This is not a program for those who seek a “weekend adventure” experience, but a program for people who are willing to work hard and remain committed to earning the privilege of becoming a pilot. It’s not easy, in fact, it is demanding and challenging, and that’s by design. We want our pilots to be safe and competent, so training goes well beyond the minimum standards required by the FAA.</p> <p>Candidates for all scholarships will complete the appropriate application form, including an essay on how they feel the scholarship would change their life. Following an initial review, finalists for Full, Return to Flight or Career Training Scholarships will appear for a in-person interview to be conducted either remotely or near their home.
