

October

ACE NEWS

This month's highlights:

Dear Parents,

September has kept us on our toes with many activities at school and Mother Nature giving us a scare. I am enjoying teaching your children and joining some of your parent-teacher conferences when possible. This month begins our competitive math team season for those students who have joined our Mini Mu math team. Hopefully, fall temperatures will be here soon.

 Mrs. Franklin

Important dates:

-  10/3 - FALL HOLIDAY - no school
-  10/18 - AR Rally - End of 9 wks
-  10/21 - Teacher Planning Day
-  10/17 - PTO mtg @ 7pm

Looking ahead:

3RD GRADE

Mondays - Chisler, McPherson, Page, Reinfeld
Tuesdays - Andrews, Middleton, Williams, Wilson

We are completing our study of the Olympic games both ancient and modern. The students enjoyed our "Potato Olympics". For the remainder of this month, we will investigate patterns in math and engage in various STEM challenges.

5TH GRADE

Wednesdays

These next few weeks, we will complete reading Thirst and our investigations into things involving water. We will do a storm drain retrieval task this week and investigate the power of water in regards to recent weather events.

4TH GRADE

Thursdays - Anderson, Bailey, Townsend
Fridays - Frank, Feijoo, Walker

Our study of "Histories' Mysteries" is concluding and we will now begin a unit on Natural Disasters. We will research about various weather events and engage in investigations about natural events around the globe.

More Info:

Don't forget that Grand-Hawks day is Friday, 10/4. Picture day will be Thursday, 10/10 and the school Speech Contest for 5th grade will be Friday, 10/11. October will be another busy month of learning.

COMMUNITY EVENTS:

10/12 - Saturday Morning Physics+Art
FSU Richards Bldg, 9:30 - 11am

10/19 - TSC Annual Science Festival,
Kleman Plaza, 10am - 2pm
