April 15- Spring Holiday (No School)

April 21- Challenger Tennis Tournament Field Trip

May 10-11- FSA Math

May 12- Roberts Science Night (6:00-7:30)

Mrs. Reagan

Our sweet FSU Intern's (Ms. Reagan) last day with the class will be Friday, April 22nd. I am going to put together a book of letters from students along with our class picture. I would also like to put together a gift basket of supplies for her first classroom. It would be wonderful if you would like to contribute anything! Please tell your child to give it directly to me so that we don't spoil the surprise. 😊

Here are some suggestions:

Flair Pens

Post It notes

Stickers for student papers

Books (picture and chapter)

Desk supplies

Gift Cards (Target, Walmart, or Amazon are the best for teacher supplies)

Thank you so much for any contributions!

Scholastic Book Fair

The Scholastic Book Fair will be held in the Media Center next week. Students may bring money any day and I will let them go. There will be a wide variety of books that will be perfect for summer reading!

FSA Testing

Students did a fabulous job this week with testing. I watched as students used strategies that they have learned throughout the year and focused on the assessment in order to do their best. . 3rd grade has a bit of a break until our math exam (May 10-11th).

Language Arts

During the last 9 weeks our class will be focused on novel studies and writing to put those 3rd grade reading skills to good use. There will be no grammar or spelling homework, only reading homework 1 night a week so that students can focus on meeting their A.R. goal. Look for a book report project that will come home next week!

Big Mix- Only 7 more weeks to pass!

Continue to practice multiplication facts with your child nightly to develop multiplication fluency. Students should be able to complete 90/100 facts correctly in 5 minutes in order to pass by the end of 3rd grade. Students may also use the Xtramath program at home through ClassLink. **So far, we have 12/21 of our class that have passed The Big Mix!**
