<i>Monday, 12/13</i>	<i>Tuesday, 12/14</i>	<i>Wednesday, 12/15</i>	<i>Thursday, 12/16</i>	<i>Friday, 12/17</i>
		Last Day for A.R. Quizzes	A.R. Celebration	Class Holiday Breakfast
		Continent and Ocean Test	Craft Day	Pajama Day

December 20-January 4- Winter Break

January 5- Students Back

January 17- MLK Jr. Day (No School)

January 29- Trent Trot

Holiday Breakfast

Our class is going to have a holiday breakfast next Friday, December 17th. I am going to order Chicken Minis from Chic Fila along with other sides and juice. Mrs. Grosso has volunteered to pick up our platters. **Please send in \$3 for each student to cover the cost of breakfast.** I thought that this would be easier than sending individual items. If you have any questions, please let me know.

Classroom Donations

We are running low on disinfectant wipes for our classroom (Clorox, Lysol, etc.). If anyone would like to donate some it would be greatly appreciated. I also like to have extra snacks on hand for students who forget theirs. Granola bars or crackers are great. Thank you for all your help!

P.E. in January (Message from Coach Cox)

For the month of January, we will be doing our annual Bicycle and Traffic Safety Program with our 3rd – 5th graders. Students should plan to bring a helmet for the whole month, and it is highly encouraged for them to bring a pair of gloves to keep their hands warm when biking in wintry weather 😊. Please make sure that their name is on their helmet. Let me know if you have any questions!!!

Math- Multiplication/ The Big Mix

Students have received flash cards that they can keep in their Fox File to practice their facts. I also introduced the steps that they need to take to take The Big Mix (passing individual facts 2's, 3's, etc.). There are also several free websites that have multiplication skill practice including one that we use in class, Xtramath. I am encouraging students to begin to practice 3-5 minutes a day in the next few weeks.
