Points- 70% of Goal

Average- 85%

Important Dates to Remember

February 11- Roberts Daddy/Daughter Dance (6:30)

February 14- Valentine's Day Party

February 18- Optimisio Day (wear orange)

February 21- President's Day (No School)

February 22- Two's Day (2/22/22)

March 11- Field Day

March 14-18- Spring Break

March 19- Teacher Planning Day (No School)

Twosday- 2/22/22

On Tuesday, February 22nd we will be having a school-wide celebration. Students can wear tu-tus, ties, or tennis shoes to help celebrate. We will also be doing some fun activities in class!

FSA Reading (April 4-5) Math (May 10-11)

Our state testing is quickly approaching. Please add these dates to your calendar and try to avoid scheduling any appointments or days off on those days. There will be make-up days for students in case of illness, but I have found that students do their best when they are testing with their classmates in a familiar classroom. 3rd grade is lucky that our testing is spread out so that we have a month between our reading and math exam.

A.R. Goals/ Chapter Books

Students have received their A.R. goals for the 3rd 9 weeks. I will list the expected completion of the goal each week in our newsletter. This weekly goal will enable students to read and take quizzes in order to meet their 9-week goal and not be rushing at the end of the term. 3rd grade students should consistently be reading chapter books in order to increase their stamina for reading and comprehension. Please remind your child to check out chapter books from the Media Center. In class, I normally encourage them to get 1 chapter book and 1 picture or informational book when they are checking out books.

Multiplication Fact Practice

Students should be practicing their multiplication facts nightly in order to memorize them. Each student has a set of flashcards (1-10). A 3rd grade standard is that students should know their facts fluently in order to prepare for higher levels of math in future grades. Students may also do an extra session of Xtramath on the computer to practice.
