Please join us next Sunday as we celebrate our school! There will be activities, games, and food available to all our families. There is no cost for anything other than food at the event. Hope to see you here!

**Unplugged Day- Friday, March 4**

Next Friday we are going to be observing Unplugged Day. We are taking a break from all of the digital devices that we normally use, in favor of an "old school" classroom for the day. We will be having a small Read-a-thon that day to help students meet their A.R. goal.

**FSA Reading (April 4-5) Math (May 10-11)**

Our state testing is quickly approaching. Please add these dates to your calendar and try to avoid scheduling any appointments or days off on those days. There will be make-up days for students in case of illness, but I have found that students do their best when they are testing with their classmates in a familiar classroom. 3<sup>rd</sup> grade is lucky that our testing is spread out so that we have a month between our reading and math exam.
