May 10-11- FSA Math

Roberts Elementary 20th Anniversary Celebration- Sunday, March 6th (1:00-4:00)

Please join us next Sunday as we celebrate our school! There will be activities, games, and food available to all our families. There is no cost for anything other than food at the event. Hope to see you here!

Unit 5 Energy Assessment- 3/9/22

We will be having our Unit 5 assessment on Wednesday of next week. A study guide was given out on Wednesday this week. Please help your child to study the terms and remind them to take their time and read each question carefully before answering.

Field Day- Friday, March 11th (3rd -5th 9:00-11:00) (K-2nd 12:15-2:15)

Our annual Field Day will be next Friday. Please make sure that your child has a water bottle and wears cool comfortable clothing including their class shirt and tennis shoes that day. I would also recommend putting sunscreen on before school. We will be having a pizza lunch that day so not need to send in a lunchbox. Please let me know if your child will not be at school that day or will be leaving early.

FSA Reading (April 4-5) Math (May 10-11)

Our state testing is quickly approaching. Please add these dates to your calendar and try to avoid scheduling any appointments or days off on those days. There will be make-up days for students in case of illness, but I have found that students do their best when they are testing with their classmates in a familiar classroom. 3rd grade is lucky that our testing is spread out so that we have a month between our reading and math exam.
