Message from Mrs. Lovern

I wanted to send a big thank you to all of my family for your wonderful support and communications this school year. As for your children, what can I say about them except that I love them all! 3rd Grade is typically a year that many students become more independent and responsible, and they have met those challenges head on. I have loved seeing them grow, mature, and enjoy their many different personalities and interests. I enjoy it so much when they come back and talk to me about what they are doing in 4th and 5th grade.

I hope that all of you get some time to spend together and relax. Have a wonderful summer!

Lunch will be at 11:02 each day. If you are going to have your child eat lunch after they get home, please send a snack to eat during that time.
