attempt	awkward	cooperation	created
furiously	interfere	involved	timid

Topics this Week

Language Arts- Theme, Concrete & Abstract Nouns, Opinion Writing

Math- Use Multiplication Facts

Science- Earth and Stars, Veteran's Day

A.R. Goal for the Week

Points- 50% of goal

Average- 85%

Important Dates to Remember

November 10- Picture Make-Up Day

November 11- Veteran's Day (No School)

November 17- Space Diorama Due

November 17- Progress Reports available on FOCUS

November 22-26- Thanksgiving Break

December 20-January 4- Winter Break

Space Diorama- Due Wednesday, November 17

Most students have made their topic choice for their Diorama. Please make sure that students have begun their research and are not leaving everything until the last minute. If your student needs help with research (books, etc.), please let me know and I will help them select some resources in the Media Center.

Veteran's Day and Symponia Day(11/12)

Next week we will be learning about Veteran's Day and the contributions they have made to our country. Next Friday, we will be learning about one of our Roberts Houses, Symponia. Their character trait is Compassion. We will be making cards for military veterans in our area.

Weekly Report/ A.R. Goal

Please make sure to check the back of your child's Weekly report to make sure that they are keeping up with their A.R. Goals. Students should be reading 20 minutes each night as part of their weekly homework.

Math- Multiplication/ The Big Mix

Students have received flash cards that they can keep in their Fox File to practice their facts. I also introduced the steps that they need to take in order to take The Big Mix (passing individual facts 2's, 3's, etc.). There are also several free websites that have multiplication skill practice including one that we use in class, Xtramath. I am encouraging students to begin to practice 3-5 minutes a day in the next few weeks.
