Dates continued on back --->

November 10- Picture Make-Up Day
November 11- Veteran's Day (No School)
November 17- Progress Reports available
November 22-26- Thanksgiving Break

Fall Party

We will be having our Fall Party next Friday, Oct. 29th. Students may dress up in a school appropriate Halloween costume that day. Students will be having a treat and enjoying some classroom activities. Unfortunately, parents will still not be able to attend. Hopefully this will change in the near future. 😊

Weekly Report

I am going to begin including your child's A.R. Goal progress on the back of the pink sheet that is in your child's Friday Folder. Please check it weekly to make sure that they are keeping up with their goals. 😊

A.R. Reading

Students have received their new goals for the 2nd 9 weeks. Please make sure that your child continues to read nightly. Remember, the Challenge Goal is double the number of points and students get a special treat for reaching that goal.

Math- Multiplication/ The Big Mix

This week, students received flash cards that they can keep in their Fox File to practice their facts. I also introduced the steps that they need to take in order to take The Big Mix (passing individual facts 2's, 3's, etc.). There are also several free websites that have multiplication skill practice including one that we use in class, Xtramath. I am encouraging students to begin to practice 3-5 minutes a day in the next few weeks.
