Mrs. Ward
wardt2@leonschools.net

When we started our school year in August, none of us anticipated moving to Distance Learning. Although I may not see you every day, I am still here! Your success is just as (if not more) important to me as it was in August.

Way of work moving forward

I will be posting the weekly agenda, all assignments, and video tutorials by Monday morning on my class website and Teams.

Work should be done daily. But due dates are flexible!!

Assignments can be completed on Teams OR uploaded to FOCUS. Find the way of work that works best for YOU. Please do not email assignments. All assessments will be given through Teams.

It is IMPERATIVE you check your school email, Remind and Teams every day..
