Requirements for class placement: Must have a 3.0 overall GPA at audition and maintain the year, No 1's or 2's in Citizenship this current school year. This is a rigorous class that will teach the components of dance, acting and voice. This is open to strong performers in the 7-8th grade and limited to 25 students.

Please prepare a monologue (1 minute) from one you find on the internet or other, a song from a show or movie (1 verse and chorus only).

The audition should be recorded and sent on email by Monday April 20th. Obviously, this should not be a stress audition. Just show me a little of your talents and we will go from there. If you were in the musical this year, you do NOT have to audition.

This application **must be returned to Mrs. Drew by Monday April 20th if I do not have already.**

This is a music theatre class and we will be performing our works for audiences so you must be ready to get up and move, practice and put on a show! The majority of the work will be done in class but there is also a need for outside of school time to prepare close to show. This would all be spelled out before casting a show so that you would be able to check for conflicts.

Reminder: You are required to participate in the school musical if put in this class. The rehearsal schedule will be given out before the end of this school year. Make sure you have the time to commit to this high school credit class before it becomes final.
