| Allowance | None | Usual and customary | Usual and customary |
| Plan Benefit | | 50% | 50% |
| Lifetime Maximum (per person) | | \$1,000 | \$1,000 |
| Waiting Period | | None | None |

* Discounted Fee/MAC: We will base our payment on the amount our in-network dentist charges. The member pays the difference between what their dentist charges and what our in-network dentist would have charged.

**95% Usual and Customary: As long as the out of network dentist charges at or below what 95% of what dentists charge in the area, we will allow the full charge. If they charge more than what 95% of local dentist's charge, the member pays the difference.

Enhanced Benefit Our enhanced dental benefit provides an additional cleaning for those that have been diagnosed with diabetes, coronary artery disease or who are pregnant.

Dental Network Information Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member provider are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit <http://www.standard.com/services> and click on "Find a Dentist."

Your provider network is Classic Network.

Prior Extraction Limitation Your policy has a prior extraction limitation, also known as the "missing tooth clause". This means that if you had a tooth extracted prior to enrolling in your plan with The Standard, we may or may not pay for any benefits towards replacing that tooth. Please review your policy or contact Customer Service for details.

Pretreatment While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on October 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Submitting a claim Your policy requires all claims be received by The Standard within 90 days of the date of service. You may submit a claim, or your Dentist can file your claim on your behalf and you can assign payment to your Dentist. If the 90 day deadline is missed, you will be responsible for covering the cost of the service. *Requirements for claims submission vary by state, please consult your group certificate for details.

Late Entrant Provision We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125 This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

Customer Service Customer service is available to plan participants through our well-trained and helpful service representatives. Call or go online to locate the nearest network provider, view plan benefit information and more.
