HOMESCHOOLWORK

Information

Students should have their homework copied on their weekly agenda sheet daily.

Reading Homework is on a 7-8 day rotation.

Refer to the Class Peek at a Week for due dates & assignments.
DUE on test day. In addition, students should A.R. read as much as possible at home.

Math Homework is on a daily basis. (most of the time)

It will be due the day after it is given.

Homework is NOT graded but it counts towards Work & Study on the Report Card!

IMPORTANT information

A.R. READING:

- Students all have a point and percentage goal for the nine weeks.
- They have until the end of each nine week period to make their goal.
- Students will keep track of their goal and test regularly.
- You can track their progress using the AR website.
- If a student does not meet their AR point goal or percentage (80%), it will be reflected under “Works Independently” on their report card.

BIRTHDAYS:

Please feel free to send a birthday treat for your child’s birthday. Birthday treats must be individually wrapped. We will typically celebrate at the very end of the day.

CLASSROOM management

~Behavior Management~

We use a Color Clip Chart system in the classroom.

Pink Day = \$2 Green Day = \$1 Color Changes = \$0

Students “shop” in the class store at the end of the week!

A Monthly Behavior Calendar with behavior codes is kept in their Take Home Folder.

Parent initials are required each day.

When students are breaking the rules:

1st offense-Warning

2nd offense-Color Change

3rd offense-Reflection Note (parent signature required)

4th offense-parent contact

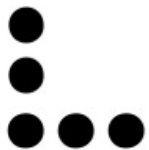

5th offense-Behavior Referral to office
