

Product Orientation

Product Orientation Videos to Guide You Through the Platforms

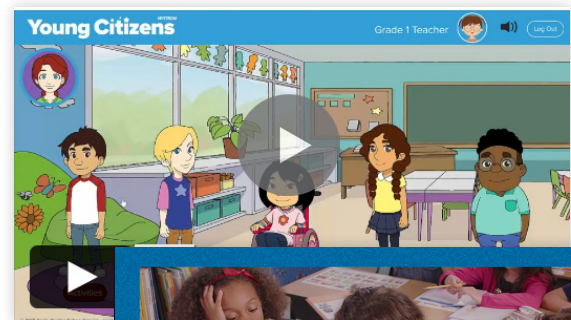

Discover Essential Tutorials

Through short video segments, teachers receive **tutorials on the essentials of each program**, including:

- Locating content
- Assigning content
- Assessing student work

Everything a Teacher Needs

These useful videos include everything a teacher needs to get started with our core programs. **Helpful tips** are included, and **step-by-step instructions** make following along easy.

Self-Paced Professional Learning

Our self-paced professional learning opportunities, for teachers and leaders, are designed using principles of adult learning theory and incorporate reflective practice.

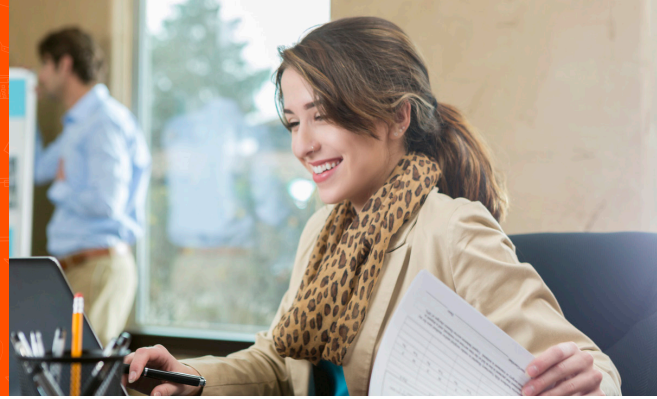

This approach strengthens teachers' content and pedagogical knowledge, facilitates the transfer of new knowledge and skills into instructional practice, and, most importantly, ensures improvements in student learning.

Choose from the following Self-Paced options

Certifications	Audience	Delivery
Active Classroom Teacher Certification	Teachers	Virtual
Young Citizen Teacher Certification	Teachers	Virtual

Micro-credentials	Audience	Delivery
Active Classroom Series Expert	Teachers/Leaders	Virtual
Disciplinary Literacy Expert—Social Studies	Teachers/Leaders	Virtual
Professional Learning Expert	Teachers/Leaders	Virtual
Differentiation for All Expert	Teachers/Leaders	Virtual
C3 Framework Expert	Teachers/Leaders	Virtual

District Partnerships

We aim to create a personalized pathway to the implementation of our products and services by collaborating and planning with you to provide teacher and leader supports.

Teacher Supports

Our professional learning is built on a foundation of adult learning theory and includes reflective practice. We offer several options, designed to meet the needs of all district stakeholders.

Strategies:

- I. Self-paced Professional Learning
- II. Social Studies School Service Professional Learning Menu of Choice
- III. District Customized Professional Learning

Leader Supports

We are committed to partnering with you to develop your department's leaders to co-create customized supports that align with your district's vision, goals, initiatives, and strategies for social studies.

Strategies:

- I. Curriculum Development, Implementation, and Assessment
- II. Leading Social Studies Programs
- III. Developing Teacher Leaders

District Customized Professional Learning

Customized professional learning sessions are planned and developed in partnership with district stakeholders based on your district's vision, goals, and initiatives.
