

# Social Studies

## SCHOOL SERVICE

### Public Access Instructions

Nystrom Young Citizens is a hands-on program sold as a class kit. The program contains print and digital components as well as manipulatives.

Nystrom Young Citizens digital platform is home to the digital components, which mirror the print format. For example, the digital versions of the Student Book, and other components include the same content as the print versions. The digital versions of the maps and globes are an interactive format.

To access the digital platform, use the following credentials:
