

What's in the Kit?

For every qualifying Classroom Kitchen fundraiser, Pampered Chef will donate one of the four kits below to your school/teacher of choice to increase access to food and cooking literacy for kids across America. The difference in the kits is the number of student cooking tools provided. The bigger the fundraiser, the more sets of student cooking tools your school will receive. Each kit comes with the same three lesson plans that are appropriate for grades K–12 and include alignments and extensions to STEM Common Core Standards.

One Kit for You. One Kit for Big Green.

Big Green is a national nonprofit that constructs Learning Gardens for underserved schools. When you hold a Classroom Kitchen fundraiser, Pampered Chef will also donate a complete box of cooking tools to a Big Green school in need.

*Party total sales before tax, shipping, and handling. Pampered Chef reserves full discretion to determine whether school-affiliated programs are qualified for the Classroom Kitchen campaign and reserves the sole right to deny participation for school-affiliated programs that do not meet program requirements. Pampered Chef disclaims any and all liability for errors in payment or delivery caused by incorrect or incomplete submissions. After 500 kits are donated to Big Green, Pampered Chef will provide an equitable donation in tools.
