

# The Bobcat Bulletin

Buck Lake Elementary School  
January 2022

## Principal's Message

Dear Bobcat families,

I hope that your Winter Break was filled with happiness and rest. As we begin our 2<sup>nd</sup> semester, we have many things that we are planning for. We are currently planning for our Bobcat Bash in February and our Annual 5K race in March. We will also be working towards additional after school academic opportunities for students.

Opening our campus up to visitors and expanded opportunities for our students will require each of our families to remain diligent so we can continue mitigating the spread of COVID-19. As a reminder, your child should stay home if they are sick and you must contact the front office if he/she tests positive for the virus. We will help you navigate the quarantine requirements for your child based on the most up-to-date information from the school district.

When there is a positive case of COVID-19 in a classroom, all families of the class will be notified. We will no longer be sending out school-wide email notifications. LCS will continue updating its COVID Dashboard for anyone interested in tracking that information.

I am wishing you all well as we jump into 2022. Let us finish the school year with purpose and conviction!

Sincerely,

William Millard  
Principal
