Buck Lake Elementary School
March 2021

Principal's Message

Dear Bobcat families,

We have had a lot of fun with our "We Love Our School" Supporter Program. There have been some great challenges and events to get students involved in talking about why they love Buck Lake. We are closing in on our \$27,000 goal. We will be able to build a taller fence on the Primary Playground, build a shade for the Pre-K Playground, and we are still raising money for our classroom libraries.

This morning, I shared on the morning show that if we reach \$30,000 raised, I will shave my head and have it broadcast on the morning show and Facebook. I can't tell you enough what this school means to me and my family. If this motivates folks to donate to make our school even more fabulous, then I am all in!

If you have already made a contribution, thank you! If you have not made a contribution, or would like to see me bald, please visit <https://bucklakeshop.square.site/s/shop>.

Thank you for your support!

Sincerely,

William Millard
Principal
