Buck Lake Elementary School
November 2019

Principal's Message

Dear Bobcat families,

Thank you so much for your support of our Boosterthon Fun Run. We are closing in our goal and it looks like we will exceed it before the run! We have been telling our students today that any additional funds will be given to the top classes in each grade level for special projects, so please keep pledging.

We are noticing a lot of traffic in the front parking lot in the morning time. Please remember that we have drop-off at the back of the school that starts at 7:45 a.m. Drop-off at the front of the school does not begin until 8:00 a.m. when the busses depart. We do not want parents parking and walking students in or having students walk across the bus lane by themselves. First, this is a safety issue. Second, our teachers are having difficulty finding parking and are arriving to supervision locations late due to lack of available parking.

If you are parking to meet with a teacher, drop something in the office, or conducting other business, please park in one of the Visitor Parking spots that are identified with signs. We will be working to enforce this in the coming weeks, so please help with this.

Sincerely,

William Millard
Principal

Volunteers

Volunteers are part of the success at BLES, and we encourage parents and stakeholders to volunteer. In order to volunteer individuals must be cleared by the county office, by completing the online form: <http://volunteers.leonschools.net/volunteers> This process takes about two weeks, so please do not fill out the form one day and expect to be cleared the next. Individuals must be cleared to help in any capacity at BLES, this includes attending field trips.
