

The Bobcat Bulletin

Buck Lake Elementary School
November 2020

Principal's Message

Dear Bobcat families,

As we wrap up the first quarter and welcome back 40 students returning from our Digital Academies for our 2nd nine weeks, I wanted to take a moment to thank you for your support. We had no idea what to expect when we started this school year, but our school community has risen to the challenge. Our teachers are doing amazing things with our students regardless of their learning option and our students have done a great job of adhering to our mask policy and social distancing protocols. To be honest, I was more nervous on Day One of this school year than I was on Day One of my very first school year lots of years ago! Your support and encouragement has meant the world to me and to our faculty and staff. I am so thankful to be a part of this phenomenal school community and I look forward to working with you all this year.

Sincerely,

William Millard
Principal

Everyone knows that this year looks a little different. We will not hold our traditional Boosterthon Fun Run this Fall and we are still undecided on our Spring events like the Bash and 5K. However, we would still like to continue to support our school. If you are willing and able to help with a financial contribution, please visit the link below. We are working on raising funds for a new shade for our Pre-K playground, a higher fence for our Primary Playground, and books for our classroom libraries. Thank you to those who have already made a donation:
